**Next PSL meeting Sep 4**

#### Aug 2008 News Stuffs

First and last was the question of tiki refrigerators. You just had to be there. It is now safely in the shed.

Second of importance was the meeting. My own personage was joined by Jerry and Linda, Louie and Mary Lou, Greg and Gail, Terry and Linda, Dave, Phil and Lucas and Jaxson accompanied by their chasers, Dave and Cassandra.

Pres Greg knocked us into line at 1930. First business was the Xmas party that we will share with the Stratacruzer's. Linda reported it will be the 17<sup>th</sup> of Dec at Shawn McDonalds. This is at Exit 186 (128<sup>th</sup>) and I-5. There is room for 80 in the basement. A buffet dinner is served with 3 or 4 choices of entrée. Following the Strats lead, the gifts are now 20 bucks (rich club, eh?) and are not designated as to sex. The drawing is a white elephant type free for all. Right up my alley. Dinner is a flat 25 smackers.

Shawn's is also having a do on Sat nites which includes gifts and discounts on food to those who bring their ride. Phil said about 40 showed up last Sat.

As you noted above (you are paying attention, aren't you) our temp treasurer was in abstinence, sorry Judy, absence. The internet web site bill will have to wait a few more days.

More older boring car show dept: 157 cars at KLaHaYa Days and 25-30 at the Granite Falls old farts home show. On the Kenmore Golf Course, a free lunch and drinks were served. Wow! My kind of show. My trip to Silverton was long but a real kick seeing all the F-100 guys again plus Wes and Bob from the Flywheels and a bunch of the ½ Tons.

New boring car show dept: The Nile show in Mukilteo is the 24<sup>th</sup>. I wonder if the judges would ride over to Clinton and save me the ferry fare. Oak Harbor's big Lion Show is tomorrow, the 9<sup>th</sup> along with Street Rod Vision at 208 St. SW in Lynnwood 425-774-4594.

Just New stuffs: Tom Jenson in Pt Townsend makes 53-56 wind shield wiper setups. Ad is in Classic Trucks. Monroe Swap meet is the 11-12 of Oct. Jerry and Greg each have booths side by side and at least one is # B50. Cassandra brought a photo collage made by Be-Bop Chrome at 360 or maybe 425 but definitely 766-4245. Ask for Ken. Paul came back from Californicated where they were having a special on babies or something. Refrigerators for sure. And G&G were off on another cho-cho train trip, this time to Glacier Park. No one eaten by a Grizzly.

As for the gismo, Greg kept it at home. He is the only one this month anyhow.

The 50/50 was won by Mrs. Morgan. Y'all report that 19 bucks now, ya' hear.

Our Anniversary couple is Dave and Freddie. This was a small surprise to Dave. It's ok. He still has 8

shopping days left.

## FOR SALE

1. See Bill for a rebuilt 341 Lincoln marine engine for \$2000 obo. Used by Capt. Nemo for only 20,000 leagues. Also call Bill for info on a 53 F-600 with dump box.
