My favorite Heretic

Sept, Twenty-Two News Stuffs

The Senior Adult in Charge called the meeting to order. That SAIC would be Capt. Billy. His trustworthy krew included the scribe, Judy, Louie & Mary Lou, Ralph, Greg & Gail, Dave & Freddie, Phil, my very own sweetie and guests, Wayne & Ann who joined up. See Wayne's car above. Welcome aboard. Please place your fingers in any leaks you might encounter.

Gregory, who has now added the Treasurer job to his list of things to do in a day, reported that he still needs to get with Paul and split the club money. More report next month....maybe.

Old Stuffs: There was no din-din in Aug...but by now you knew that. Newer Stuffs: Greg is leading the charge to Gallagher's, a Where You Brew joint on the 26th at 5pm. Pizza will be ordered and brought in. They also have Sarsaparilla (root beer if you prefer the French).

180 W. Dayton St. Suite #105 Edmonds (425) 776-4209 Call Greg for more info.

Christmas Party set for Dec 8th at 6pm. In case the dog ate your Aug copy of the newsletter I'll go over this again. Collector's Choice, same place as last year, Snohomish. We'll have hors d'oeuvres, dats like pupu's, brah. And for all members you get your \$25 smackers back to buy maitai's. Also bring one makana for the same da kine sex you are, minimum \$20 US or \$19. 56 Can.

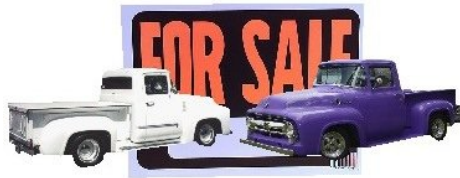

Show Report: Sequim's Hot Air and Hot Rods show was a hit with the Capt and krew and Jerry and Linda. There were 129 cars on Sat and about one third that on Sunday. Terry and Linda were over visiting and dropped by. Greg reported 101 cars at the Nile. Billy was the first to arrive. A great DJ and one prize to the Sec for the "Best Other". I thanked the judge and his Seeing Eye dog.

The Greatest Dessert Eater award was won by Mary Lou who coincidentally had a birthday this month. Many more to come, we hope.

Ralph said that our youngest member, Lacey Elisabeth, now 13 months, is ready for Pre School and is already receiving College Info packs. Get her into French class and physics now, Ralph, before they fill up.

Food Fight alert: There will be a dinner on the 21st of Oct. Put it on your calendar. More info when you pay your dues.

Gail won the 21 clams. Freddie gave back the ten dollar water bottle I gave her. Sheesh, you just can't please some people.

1. See Bill for a rebuilt 341 Lincoln marine engine for \$2000 obo. Only used to power a cleanup bulldozer after two different three day conventions. Smells slightly like male bovine poo-poo. Bill is looking for an F-350, 54-56.
