Jan of Twenty Sixteen News Stuffs

Can you believe that we have made it through another year? You should be pleased if you're still above ground and survived the Christmas shopping diabolical. Now...on to Easter. Oh, guys, don't forget Feb 14th either.

Now I don't want to say that my last computer was antediluvian but it had an abacus for a keyboard. I have now found the majority of my addresses so you won't have to read this written on papyrus.

New Year persons were me, Billy & Judy, Bill & Andei, Wayne & Ann plus son Louis, Greg & Gail, and Phil.

The Treasurer, who just returned from a short trip to Monte Carlo, announced that our balance has dropped below the 4-digit range. So I'm guessing that it means we need to pay our dues. We have taken in 4 or 5 dues so far.

In Sickness and in Health Dept: Jerry had a nose carcinoma. No word from the stupid sun shines all the time state if he still has a nose or not. Y'all listening down there?

Old Topics and concerns Dept: Xmas party. I came, I ate, I got my prezzie. Collector's Choice could have done a lot better on the pupu delivery. And we could have done with another server but all in all it must have been good as we signed up for another year, this time Dec 3rd, a Saturday.

Newish Stuffs: Will we or will we not donate this year? It was suggested that due the Treasurer's inept skill at baccarat we only donate a hundred. More next month.

Dave and Freddie joined our leader and Judy at the casino and show in Pt. Orchard. Oh, maybe that's where the money went.

January Pig Out Dept: Jan 17th. It will be at Hop Jacks, 196th and 99, and at 5pm as usual. Happy hour is 3 to 6. It's diagonal from Trader Joes.

Billy's Good of the Order: Happy New Year. Jerry sold their home and left Dodge. They did, however, fly back for a 24hr stopover which gave them enough time to buy a new place in Monroe, have it completely remodeled, get the furniture moved in and skedaddle once again. Wow, that made me tired. I need a nap.

Greg took the 50/50 for 14 bucks. He seems to be better at this than baccarat. AND it was a NO desert month (no Bdays).
Have a great start to the new year.

My people skills are just fine. It's my tolerance of idiots that needs work.

The web site is un-hacked and is back at our regular address. <http://pugetsoundlimiteds.com/> We're on Face Book @ <https://www.facebook.com/pugetsoundlimiteds>

Email Troy (troy@tat-inc.com) a photo of your car or truck before and after the restoration.
