July of Twenty Seventeen Fake News Stuffs

Well, it appears that your highly paid and professional scribe has forgotten to make up a newsletter. So....sack me. It's only the 13th so let's make one up.

Once again Our Dear Leader (aka: the dearly departed) was AOL, no doubt out murdering a poor defenseless fish. In his temporary (we hope) absence, the guy with the little Willy (but big hands) took charge.

And in charge he was of myself, Jerry and Linda, Bill and Andei, Louie and Mary Lou, Wayne and Ann, Phil, Dave and Troy and Angela.

From Greg, nada, same-o same-o.

Some Old Stuffs: Grinders was good and more important, Wayne got one looker and driver of his '37. An auspicious start, yes?

Some New Stuffs: New Pig Out....try wait, I think you missed it. It was back then.wasn't it? Yes, it's coming back. First a car show and the Sultan Shindig and then dinner at the Buzz Inn Steak House. Let's hope it was just swell. And for even a 'mo bettah one, on Aug 19th at 4pm (are you writing this down?) at Wayne and Ann's Garage will be a Pot Luck. They will supply the burgers and buns. A entre would be appreciated plus bring a beverage of your choice if you're a boozier. They might have soft drinks, I forget but we have a month to work it out. In case you don't know, they only live a few blocks from Spiro's.

We are all signed up for the swap Meet and have 6 tickets to get in. Greg took home the 50/50 of 27 big ones. At least he has something to report next month. AND it was (or will be) Andei's birthday. Have a great one and don't set off all the smoke alarms when you fire up the cake.

I used to be indecisive. But now I'm not so sure.
