## Sept of Twenty Seventeen really, really true News Stuffs

HOW did it get to be Sept already? There's a hint of Fall in the air or the smoke as it's been lately. Peoples who braved the inclement elements for this Sept meeting were self (that's me), Billy and Judy, Jerry and Linda, Bill (#2) and Andei, Wayne and Ann, Greg, Phil and Dave with a quick visit from Ed, so I could unload all the left over 4.6 Ford stuffs on him.

Sick call is getting crowded. Louie fell and hurt his back but he was used as a human pin cushion, he said he felt better. That's acupuncture but I can't spel that. Mary Lou's sister was medevac'd from Texas but I don't seem to have written down why. Linda had a bone spur in her heel, I think and got a cortisone shot. Judy also had something but ... you know, you really need to hire a decent secretary.

Swap meet stuffs: Both Greg and Bill have two passes. It's Oct 7 & 8 with us meeting on Friday, the 6<sup>th</sup> at Jerk in the Box at 1130. We will have one more meeting to sort it out.

Christmas stuffs: Only 3 months to shop for a really nice gift for your secretary. Just sayin'. Same place, Collectors Choice on the 2<sup>nd</sup> of Dec. And bring a gift if you want one back. Of course, you want one. That's what Christmas is all about, Charlie Brown.

The Edmond's Car Show is today so if you are not reading this on your iPad as you sit in line, you're too late.

Newish Stuffs: Wayne sold his car to a really happy buyer. He now has 36 thousand reasons to make his little Willy happy. Not to mention, She who must be Obeyed.

Last is the far, far away shop tour and Pig Out in beautiful downtown Oak Harbor on Saturday, the 16<sup>th</sup>. First is a stop by at Harry and Mary's for a shop and new motor tour (yes, I know ladies, boring) and then off to Alfy's. Directions, page 2.

As if he needed more money, Wayne won the 50/50 of a big 17 bucks. Birthdays were fast and furious and included Linda, Mary Lou, and Gail. Our good friends in sunny Arizona, Terry and Vicky had an anniversary.

Is it wrong that only one company makes the game, Monopoly?

#### Directions to Beautiful Downtown Oak Harbor

If you plan to come to Harry's first at 4pm, drive to O.H. As you come to the end of town Hwy 20 turns right at a light (large empty lot on your right). Head out of town on Hwy 20 about 5 miles until you see Hastie Lake Rd. If you turn left you will be in a hay field so turn right. A few curves and you will come to a stop sign. STOP! It's the law, you know. Another ¼ mile and 2157 is on the left (mailbox on the right) Straight up the driveway.

If you only plan to come to the 5 pm Pig Out, you can turn left at the third light after crossing the bridge. That's Midway Blvd and there is a Shell station on the left. Drive to the third light and go straight. A sweeping right hand curve puts you right at Alf's. Going straight puts you in the drink. Better to drink at Alf's....
