**Happy New Year**

## Jan, The Start of Twenty-Twelve News Stuffs

Ah, the start of a new year, a time for resolutions and the hope that somewhere in the world, even if just for a fleeting moment, there may be love and peace among men.....FAT CHANCE.

This years first meeting of our new open club (74 and older) included a still cynical secretary, the Captain and Mrs. Judy Captain, Jerry and Linda, Louie and Mary Lou, Paul, Greg and Gail, & Phil.

Paul reported that we still have money and that he hasn't lost it all on the pool tables. Lots of money arrived on his desk for dues during the meeting. If you haven't paid up, please send your cash to Paul. Paul did send a check to the state for our non-profit status and another to Cruzin' Magazine for our club listing.

Last Years Stuffs: The Christmas party was a smashing success. The food was good, the service was great, Bill's game was a hoot although it showed how little we all know about cars and it will be in the same place next year. If you missed it this year, don't make the same mistake next year.

Web site: We need to get Rowland whatever changes that are necessary to upgrade our site to a 74 and older open club. I suggest everyone go to the PSL site and then send me ideas of what to add or subtract. One thing we need is photos of all the cars or trucks that are new in the club. Send an e-photo to me or a real one if you are computer illiterate. Another thing we need is a new Main Menu logo. The present one is what you see at the top of the page. Please give me ideas.

The first calendar of the year just came out for car shows. In their wisdom, they added the Spring Fling at a date of their choice. I'll e-mail them but I'm afraid Bill will be stuck with some phone calls as the date nears.

2012 Stuffs: Wagon master Pig-out will be on Jan 22<sup>nd</sup>, a Sunday, at 6pm. It will be at the Prohibition Grill in Everett. 1414 Hewitt Ave, 425-258-6100.

Folks are still thinkin' about which gin joint for February.

A reeally beeg Haole la Hanau to the oldest trucker in the world. That would be the fabulous Louie who at 79 just keeps rollin'. What a guy. He shared his free dessert.

I have a guy (see photo below) who wants to know what jack and lug wrench came with a '56 F-250. Also needs the F-250 emblems.

Sick Call: Louie good, Freddie good, Gail good, Art recovering. That's what we like to hear.

No name mentioned but the guy with the initials of Louie Louie "once again" took home the 50/50.

Good of the Order: Monroe Swap Meet, Greg and Jerry have spaces together again and the club voted to pay for a third one so we have more room for junk, uh, good stuff.
