Next PSL meeting Mar 1

I don't need no stinkin' chart

Feb, mostly warm Twenty-Twelve News Stuffs

A beautiful (for Feb) night for sailing brought out The Capt of the PSL Carnival Cruise Club, his bride and lovely mo'opua, Kayla, Jerry and Linda, Louie and Mary Lou, Greg and Gail, Phil, Ralph and the Secretary who managed to get on board in spite of a serious Starboard list.

Before he abandoned ship, Paul reported 6 dues and a 50/50.

Web site again: I forgot to call Rowland to see about upgrading our site to a 74 and older open club. I'm guessing no one went to the PSL site as no one sent me ideas of what to add or subtract. I still need photos of all the cars or trucks that are new in the club. Send an e-photo to me or a real one if you are computer illiterate. And we still need a new Main Menu logo. I'll see what I can make up on Print Shop. Since you haven't sent me a photo of your car (yes, I'm talking to you) don't plan on seeing it on the new logo.

Old 2012 Stuffs: Prohibition Grill was out of Greg's Porter but he and Gail and Bill and Judy still enjoyed it.

New 2012 Stuffs: This month the Wagon master Pig-out will be on Feb 19th, a Sunday, at 5pm. Note the earlier time. It will be at the Buzz Inn in Snohomish.

Paul passed out flyers for a friend who will be walking in the Susan G Komen 3 Day Walk which I think is in Sept. She has pledged \$2300 and was hoping to get her fundraising over with by Mother's Day so she could concentrate on training. Unfortunate timing as the organization had only days before found itself in a furry of controversy. At the end of the meeting it was left in member's hands for individual decisions. However, the very next day, under pressure, the Komen foundation reversed its decision so some may want to reconsider. If you are among them please send your monies to Paul along with the form.

Coming up are two swap meets, the Corvette and Hi Pro one on the 11th and 12th and the Early Bird on the 18th and 19th, both at Puyallup. And then there is the Sacramento Autorama on the 17-19. I'll be going so if anyone wants to ride along with me on AK Air, you're most welcome. Buy your own peanuts.

No birthdays this month and Greg paid for his Porter's Ale with \$14 from the 50/50.

Sick Call: Louie ate my jalapeño, Gail had her last chemo. That is really good news. Linda says she is up to 50%. I guess the other 50% was recalled.

Good of the Order: Linda is going to try and make up a new version of our old club flyer. I sent her a few copies. These could be given out at car shows, etc, to advertise our new status. As a start we can join up with the Emerald City club to help with the Marysville's Very Berry Best Car Show on June 16th. This sounds like fun. Let's talk about this next meeting. Another group, the Rodtiques, could use help with the Colby Show. Phil will ask about it. And Greg is going to "look" at a shorty school bus. There goes the yard again.

A lovely little 6 months old is still keeping Ralph awake a bit but it's lucky he works where he can nap during the day and no one notices.
