May, Twenty-Two News Stuffs

Salutations or as they say in our most southern state, Howzit, We were short some of our patriarchal members, like the Prez and the family Mathers. Also our two newest truckers were unable to come. Those who stoically endured Seattle traffic were your ever present penman, Jerry and Linda, Louie and Mary Lou, Terry, Paul and Gigi, and Phil.

Paul wrote out a check to Harry for 123 bucks to cover 1000 new and updated club brochures. Last month Dave joined and Paul added that plus 2 50/50's. Terry even paid up and it's not even December.

Olden Daze Stuffs: Pig Out had excellent food and even 3 street rods. Margaritas were extensively tested and declared of admirable quality by both Judy and Laura. Hic!

As mentioned above club flyers are done and were handed out for distribution. With a bit of work we can cover the Colby show and Monroe swap meet.

New stuffs: More Pig Out. NOTE the date, **May 27th**, Sunday. This will be in conjunction with the Colby Cruise night. The idea is for everyone to watch or participate in the Cruise and then at **6PM** meet at the Burger Master on 7909 Evergreen Way in Everett. Phone is 425-347-5700. The next day will be the Show and Shine.

Monroe Swap (and left over F-100 junk) Meet: We have two spaces as the third was not available for the spring. On Friday, May 18th, we'll once again meet at McDonald's @ 1200 hours for gastronomical distress indigestion and then pile all our crap into who ever has the biggest truck or trailer along with an entry tag and go set up for Saturday. Either Jerry or Greg is the best bet if you have questions.

Bill is still on the hook to talk to the guys running the Berry show on Jun 16th to see if they want our help. Keep your dial on this station.

Good of the Order: Jerry ordered ice cream, birthday you know. 50/50 was a big 9 smackers but I already forgot who won. Don't you worry, the IRS never forget.

Web site: Still needs photos of your cars and trucks. No scanner, no

I got this email from John,
Hi,

I was wondering if you could ask your F100 Ford Truck guys if one of them had an extra front chrome bumper they would like to sell.

The years would be 1953-56 Ford truck front bumpers, I'm also looking for electric wiper motor 53-55. But the bumper is #1 and it doesn't need to be show quality. Thank you.....

Respectfully, John <http://www.disabledveteransmc.com/> .

From Ralph:

I know of a lady parting out a 56 F-100 long bed. It's in decent shape, with lots of useful parts to someone building a 56. Her name is Robin, and her contact info is 425-430-8204 or lazyjane2@comcast.net

I'd like to help her get the truck parts sold. She's actually the mom of Maria Federici.

http://seattletimes.nwsourc.com/html/localnews/2004122682_federici13m.html so she could definitely use the money.

NEED

Ralph **STILL** needs a 53 or 54 hood. Call 425-681-0314
