**Next PSL meeting Sep 6**

**Let's not even mention the  
ukabillion dollar BBQ  
Linda won**

## Aug, Twenty-Twelve News Stuffs

The good Captain was still out murdering poor defenseless fish. We'll assume that means he hasn't caught any yet. Gregory took over.

Greg's devoted followers included the scribe, Jerry and cute rug rats, Jayla and Briana, Louie and Mary Lou, Ralph, Christina and the growing like a weed, Ms Lacey Elisabeth, Paul, Greg and Gail and Phil

Before we throw him to the Great Whites, Paul beguiled us with a last accounting of legal tender. He paid Linda 40 bucks, added 13 big ones from the 50/50 and tried to give back some cash but stuck it back in the bank. He should have asked me. A few bills from the picnic are still to come. I passed a \$66 web site bill from Rowland on.

Olde Tyme Stuffs: Lots of persons came to the Edmonds Park for the picnic. Good weather, good spot, good links as in hot and a general consensus to do it again next year.

Old shows: Paul took a 53 Olds to a Value Village show and got a second. It belongs to his 72 year old pole vaulting friend. Hey, I only write it, I don't make it up.

New shows: Dave's Picnic on Aug 11 at 10am. 13411 Roosevelt Rd, Monroe. Go up the hill opposite the McDonalds. The Nile will be on the 26<sup>th</sup> of Aug.

Kaukau time: Aug was canceled due to the garbage strike. Next month will be at Galligers. It won't be on a Sunday and will be set next meeting.

Nouvelle stuffs: Jayla likes pickles. (See drawing)

The 50/50 and two other very expensive trucks were won by your secretary. Trucks graciously donated to Jerry's Kids.

Greg had a decadent and free sweet glob of birthday something.

Last this note from our web site: I am the sister of Kevin B Groves (owner) who has an incomplete F100 1955 truck that has sat for many years. Now it has to be removed from the property within a couple weeks. He would like to sell to an interested party for a fair and reasonable price as there are still usable parts (fenders, hood, frame, doors, and part of an engine) and not just have it hauled to junk yard. But the whole vehicle must go. Please contact me as soon as possible if anyone in your club is interested. The vehicle is located on Bainbridge Island. You can e-mail me or contact me via my cell phone number--which I will give to you with the next e-mail message

Susan Apt

1. See Bill for a rebuilt 341 Lincoln marine engine for \$2000 obo. Currently being used in a Mars Lander. Will be available in 3 light years. Bill is looking for an F-350, 54-56.
