Next PSL meeting Apr 4

Mar, Twenty-Thirteen News Stuffs

It was Spiro's on the Mukilteo Speedway for this one off meeting. We got offered a discount for our "inconvenience".

The PSL ohana included Harry da Haole and wahine, Billy and Judy, Ralph, Greg and Gail, Phil, Wayne and Ann, Jerry and Linda and Pablo. Yes, no kidding, the one and only Senor Paul.

Greg reported we got 7 dues but no statement but he guesses we still have some kala in da bank.

Older Than Dirt Dept: Bill brought up the trip to LeMay's new museum. It seems to be agreed on that March 17th, a Sunday, we hele on. Dave had mentioned that he thought he could get us a free tour. Info from Ralph: **Its open noon-5pm on Sunday.** Someone, I hope, will organize a meeting place, car pool, etc. Fund raising was brought up again. One suggestion was a food collection in front of a grocery store. With their permission we could have a few cars, maybe up to 10, to bring interest to our charity work. Last month's Car show stuff: Two shows. The first is Richland's Cool Desert Nights on June 20-22. Bill and Jerry went to this one last year. Second is the NSRA (National Street Rodder Association) meet near Vancouver the next weekend. Bill, Judy, Jerry, Linda, Wayne and I are all set for rooms for the NSRA and I am going to Richland too. Both require rooms to be reserved ASAP.

Din din Report: Club Hollywood had good food reported the 3 couples who attended.

Newer Than Dirt Dept: **This month's "nooner" Pig Out will be incorporated into the LeMay's run on the 17th.** We'll have lunch before going in. Greg is checking it out. Greg also promises another trip to the Chuckanut Manor in late April. Greg is also going to the Portland Swap meet on April 5-7. A busy boy....

We voted 40 clams for another space at Monroe in May. And both Paul and Phil have new something's but I can't read my writing. Gunfunit, you should hire someone who pays attention.

Last items were the 50/50 which didn't happen as someone didn't bring his briefcase with the tickets and there was the birthday desert which we all ate as the management brought us a pile of onolishous cake. It was Mary's B-day on the 5th but she didn't even eat any. ...

Next meeting will be recorded by Linda as I "have" to go back to Hawai'i. A hui hou, ka'u na hoaloha.

1. See Bill for a rebuilt 341 Lincoln marine engine for \$2000 obo. Currently being used in a snowplow in the midwest. .Bill is looking for an F-350, 54-56.
