## July, Twenty-Three News Stuffs (mea culpa, mea culpa, late again)

The Capt was gone fishing.....again. Although no one could replace our temperate patriarch, we rented Greg for the night to stand in.

The audience included your scribe, Jerry and Linda, Wayne, Greg and Gail, Phil and Karon, Dave and believe it or not, two new guests, Troy and Angela.

The treasurer, being overwhelmed with his new responsibility as Prez, didn't know didily about the club finances but managed to write a check to Linda for 90 bucks for the Monroe swap meet booth and a going away gift for the Marks.

Dept. of Monroe Swap Meet Dept, Linda did get a letter from the hi-mucky mucks saying that we got the spots we wanted. Good work.

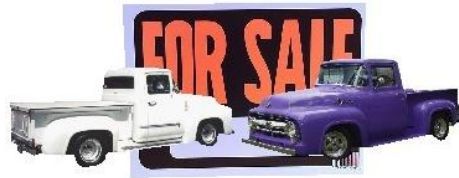

Car Shows: Both the Tri Cities and Vancouver shows were great. The NSRA was "HOT" however and dusty in the fairgrounds. They should probably consider another venue. It was also expensive as 30 miles from home, the Heretic made some last breath obstreperous and clattering death babbles and discontinued forward motion. Phooey, I said. Under "more is better" dept., Phil and Karon dropped into the Minnesota SRA Back to the 50's show. It was the 40<sup>th</sup> and drew in 12,150 cars. Now, that's a show.

Dept of Pig Out: **Hurry, tomorrow is the dinner at Edmond's Five at 5:30, that's PM, at 650 Edmonds Way. Phone is 425-563-7117.**

Jerry won the 50/50.

Good of the Order was a heads up from Dave on Rodchester carburetor rebuilds. He found Joe's Carburetors but you'll have to ask him where it is. Sorry but I nodded off.

New Persons Dept: Now this was exciting. Two older members almost wet their pants. Troy and Angela joined up. Troy is the CEO of TAT Enterprises in Maple Valley and has just purchased a '56. As I understood, it came with a high hp Chevy and he is now having a y block built for it. A Ford in a Ford. Who would have thunk it. Welcome aboard the good ship, PSL.

1. See Bill for a rebuilt 341 Lincoln marine engine for \$2000 obo. Currently being used in a D-8 bull dozer in eastern Washington for fire cleanup. .Bill is looking for an F-350, 54-56.
