Thank you for your support! Debra

March 17, 2014

Dear Puget Sound Limited Club,

During these challenging times, 'thank you' seems somewhat inadequate as a response to your donation of \$250.00, check number 1091, dated 2/2/2014. Now more than ever each thoughtful gift is a reflection of the extent to which our community is willing to help support those who have experienced-the trauma of domestic violence.

Since the founding of this agency in 1976, community members like you have joined with us to offer support, encouragement and hope to those less fortunate. Donations have allowed us to serve more and more adults and children through emergency shelter, transitional housing, legal advocacy and individualized personal advocacy. In addition, they have allowed us to increase our domestic violence prevention activities through more support groups throughout the community, cooperation and training within law enforcement, dating violence prevention training with our schools, and outreach and collaboration with other agencies which serve those in need. Our clients are truly blessed to live in such a responsive and understanding community.

We truly 'thank you' for your donation. Your generosity does make a difference in the lives of many of your neighbors.

Sincerely

Debra A. Bordsen
Development Director
On behalf of DVS Clients, Staff and Board of Directors
