There is a very fine line
between "hobby" and "mental
illness".

April of Twenty Fourteen News Stuffs

The April fools group included Harry, Billy and Judy, Jerry and Linda, Wayne and Ann, Phil, & Troy and Angela and guests, Kayla and Karla who will join as soon as Grandpa Billy gives them his F-100. Ralph was home getting ready for a trip with Dennis Rodman to see the Great Leader.

The Treasurer, who reported from the Portland Swap meet, said that we are insolvent but that he sure has a lot of new neat stuff.

Sick list and boo boo Dept: Wayne has found out that he has a cancer in his jaw. He will report to Virginia Mason on the 21st for surgery. Sounds like major stuff. Let's all think of him, please. Terry is selling his home and Corvette and maybe the '56. Good thoughts to him too.

Our web master says NO ONE has sent photos yet to be included on our site. Yes, I'm guilty too but I'll do it this week, really, I'm not kidding.

Pre Loved Stuffs Dept: We received two responses from our donation to the battered women's group. There were 8 at Arnie's for the March pig out. Best comment, Lovely.

New Stuffs Dept: April was canceled because of lack of interest. No, not the whole month, just the pig out. New rosters are out, probably FUBAR so fire me. Nominations for next year: Harry moved to keep the same officership, if that's a word, as last year. Seconded and voted on. Too bad you weren't here, Greg. I had to fight Angela for my job. Maybe I'll let her do it next year.

Good of the Order: See events for swap meet info. Troy was presented with a sign Paul M. made waaay back for a Christmas party. Troy has been a great help in our web site dept.

Wayne won the 50/50 of 13 big ones. He can buy his own flowers. Bill is gone next month. Are you paying attention, Mr. V.P.?

Hope to see everyone next month. Harry
