## Aug of Twenty Fourteen News Stuffs

The good Capt returned from murdering fish to guide us through the tremulous waters of Spiro's Pizza. Aboard ship were the crew (some as freight), self, Phil and Karon, Greg and Gail, Troy and Angela, Louie and Mary Lou, Mr. Dave Snow, Jerry and Linda, Wayne and Ann, Bill and Judy with Kayla and neighbor Rob Myers. Ralph was in Lost Wages, NV. This was our best turnout in years.

The treasurer was a wee bit vague about our monies. Perhaps a reduction in wages or a smack on the snout with the tiller would get him in line.

Sick Call: Wayne has been doing radiation treatments best summed up eloquently by Wayne, "It's a bitch". Senor Louie is still having trouble doing the hokey poky because of his back. And Terry has permanently moved into Forest View in Everett.

Web Site: We have a website? I mean, yes, we have a web site and YOU should go to it to see the new video that Troy put on it PLUS send him some photos of your vehicles. Or NO margaritas.

Monroe: We now control 87.5% of the Monroe fairgrounds. Greg wrote out a check for the club's spot so in theory, we should be the only seller there. OK, a slight exaggeration but we do have some room. Bring your junk.

Old Pig Out: Arnies was visited by Greg and Gail, Bill and Judy and Jerry and Linda, a great dinner.

New Pig Out: PAY ATTENTION: It will be at Troy and Angela's in Maple Valley. If you think that's too far, just remember that I will drive 800 miles to be there. All info on a separate page so you can print it out for directions.

Nile Car show on the 24<sup>th</sup>: 20 bucks, no food except for the restaurant.

Good of the Order: Dave sold his free truck. He had to reduce the price. He now wants a Chevy 350 and a 235 stove bolt six. Wayne took the 50/50 again.

”Women will never be equal to men until they can walk down the street with a bald head and a beer gut and still think they are sexy.”

The web site is complete and is back at our regular address. <http://pugetsoundlimiteds.com/> We're on Face Book @ <https://www.facebook.com/pugetsoundlimiteds>

Email Troy ( [troy@tat-inc.com](mailto:troy@tat-inc.com)) a photo of your car or truck before and after the restoration. Pretty please or no margaritas.
