## Jan of Twenty Fifteen News Stuffs

An amiable group showed their faces for the year's first meeting. Those beautiful smiling faces included Harry and a late Mary, Bill and Judy, Wayne and Ann, Greg and Gail, Phil, Dave and Troy and Angela.

Monetary personal reported sufficient funds to buy us all Happy Meals. He wrote a few cheques including one to me for a new chrome plated carburetor doily.

Green Around the Gills Dept: Wayne had the s/s plate removed from his jaw and is doing a lot better. He will be ordering pizza before you know it. Louie caught pneumonia but is better now. Why he was chasing it was beyond me. An erudite Dave was studying the mechanical advantage dynamics that a chop saw has over human phalanges. Chop saw won. Some guys just have to pee on the electric fence. Judy has kidney stones, another owee. Just stay away from Dave and his chop saw.

Moldy Oldies: Spring and Fall Swap meets are being taken care of. The Christmas party was again a success and reservations have already been made for this upcoming Visa and Master Card extravaganza season. Our donation to the food bank is in. The last Pig Out was attended by Greg/Gail, Dave/Freddie, Jerry/Linda, and Bill/Judy at Hop Jacks.

New Stuffs: As far as I know (but I don't pay much attention) there was no Pig Out picked for Jan. Wayne brought up the NSRA list of members who agree to help hot rodders who are dumb enough to drive around in old car and break down. If you're a NSRA member, you can add your name. Email your name, ph# and NSRA # to Wayne at [wayneson52@comcast.net](mailto:wayneson52@comcast.net). Early Bird swap meet is Feb 14-15. Two shows I am promoting are the Traffic Jam in Hood River, Ore in July and the Flashback show in Bend, Ore in Aug. I have a room for 5 reserved in Hood River if any of you ladies need a place to stay. Also someone mentioned the show in Waitsburg, WA, north of Walla Walla.

Good of the Order: Capt Billy's cool T shirt was a prime example of a shop rag redesigned for dinner wear. It included oil, antifreeze, ATF, and brake fluid all mixed tastefully and served on an opu nui. Bill also read a tribute for Click or Clack, whichever one Tom was for 30 years at NPR.

Wayne won the 50/50 of 17 bucks and will use the money to put an ad on Craig's List for the '37.

You're never too old to learn something stupid
