Mar of Twenty Fifteen News Stuffs

A covetous group appeared at the March meeting. Harry and an exceptionally dilatory Mary, Bill and Judy, Wayne and Ann, Greg and Gail, Phil and Karen, Louie and Mary Lou along with Wayne's mate, Alan all appeared for repast. And of course, a meeting if one happened to break out.

Stop the Press: The Treasurer has a report. We had eight dues paid plus the 50/50 which we added to some left over Christmas monies. Our balance is now almost enough to buy a case of Annie Green Springs.

Fall Down Boom Dept: We almost had no report but Wayne took a header at his shop just before the meeting so I would have something to write about. He's ok. He only hit his head. Ann had cataract surgery and can now see to read all the checks that Wayne has written to have his Willy worked on. I guess we've seen the end of that project.

Birthdays were Karen, who now gets a dollar off the ferry, and Mary, who was so late she had to take her cake home and eat it the next day.

New Stuffs Dept: I'm still promoting the Traffic Jam in Hood River, Ore in July. Trouble finding a room? I have a room for 5 reserved in Hood River suitable for me, 3 ladies and my doctor. Actually, I hope to tow Dave's teardrop trailer and not need it. Please call ASAP if you decide to go and want it.

Karen will spend and I mean spend, Father's Day at the car show in Minn. Oh, she says, "Is the Mall of America there? I didn't know that."

Pig Out Dept: Canceled this month. Only Bill and Judy showed up for the last one.

Ancient History Dept: Note the March swap meet in Puyallup. At the Early Bird swap meet Greg bought me two WA plates with my name on them. Very cool. At least I can now point to them when a cop asks for my name. Wayne put three of us in for the NSRA list of members who agree to help hot rodders. You got a problem, bub. Call Wayne first. And from "sunny and warm" Arizona comes a big hello from Terry and Viikkii.

Good of the Order: Harry won the \$14 50/50 again. That's twice in only 10 years. I'm on a roll. ps: This is late as your scribe had a case of Lacking Viable Cognitive Resources. Or maybe he was just asleep at the wheel.

Money can't buy happiness, but it sure makes misery easier to live with.
