## Apr of Twenty Fifteen News Stuffs

Our convalescence group arrived at Spiro's for rehabilitation and amelioration and included the Capt and Judy with first mate, Carley, Wayne and Ann, Ralph and Christina and their ceo, Lacy, Greg and Gail, Phil and Karen, and up from the heart land, Troy and Angela. Oh, and me.

Greg banking activity included no activity.

Collywobbles Dept: Everyone is recovering including Bill who went to Swedish Edmonds by aid car last week. He had fever, chills, breathing fast, etc. Judy says it was just like their honeymoon. Tests are all okay now. He does have cellulites on his leg.

Patriarchal Dept: Swap meets galore, Monroe, Portland, Mt. Vernon. And speaking of old, Greg met Art at one. Art has now moved to Black Diamond and has 5 acres and most important, a parking spot. I'm still promoting the Traffic Jam in Hood River, Ore in July. Trouble finding a room? I have a room for 5 reserved in Hood River suitable for me, 3 ladies and my pharmacist. Actually, I hope to tow Dave's teardrop trailer and not need it. Please call ASAP if you decide to go and want it.

Contemporary Dept: First car show (almost) is at Pt Townsend on the 25<sup>th</sup>. It's at the fair grounds and has such fun events as mud racing (I've entered Greg's '56) and a demolition derby. Call me for more info.

**Pig Out Dept:** This month is a "genuine" mouth watering, gut busting brunch at Chuckanut Manor. We will be joined by the Nile Car Club. The date is **APR 19<sup>th</sup> at 1030**. Call Greg at 206-542-1409 to RSVP. Warning: Bring an appetite. Colby is coming up in May, register now.

Good of the Order: Our Arizona mates, Jerry and Linda will return in a few days. And last, a recent study by the University of Woodstock, N.Y. showed that your chances of winning a 50/50 doubles by dropping both of your tickets in the basket. This proved true as Harry won the 50/50 "again". Next month the study examines the odds if you keep both of your tickets.

In filling out an application, where it says, “In case of emergency, notify”, I put DOCTOR.
