## June of Twenty Fifteen News Stuffs

Spring sprang and I can hear the %\$&\* grass growing already.

Abandoning their lawnmowers in the shed and attending were my personal self, the Capt and Mate, Louie and Mary Lou, Wayne and Ann, Ralph, Greg and Gail, Phil and from the deep South, Troy and Angela.

Greg reported, from memory yet, our balance to the penny. We all said, "All right! Treasurer for Life". He took in 75 bucks from something or other.

Green Around the Gills Dept: The doc gave Greg permission to keep drinking beer. Whew, life goes on. Wayne has recovered to the pizza point and has reported to the little Willy inspectors that he plays with it every day now. Louie still has some back problems. Stick to the missionary position, mate.

Oldish Stuffs Dept: Monroe was good. Lots of junk was sold. As a first, Greg actually sold an item. Wayne took 4k worth of stuff and sold 20 dollars worth of it. I sold almost 200 clams worth before I got my junk to the booth.

Richmond Beach car show filled the parking lot. Only bad thing is one old car ran into two other old cars. They really shouldn't let old guys drive old cars.

The Edison Pig Out and motor sickle hoodlum lunch ran into a small snag when we found the Longhorn chockablock with a bike club having lunch, raffles and a tot or two of beer. Bill, Judy, Mary and I retired a few hundred feet down the street to the Edison Tavern which turned out to be perfect. No crowd, sat outside, good food. One cranky old member went off looking for a Mexican restaurant and Dave sat around the Conway Tavern for an hour drinking beer until he went home to discover he was suppose to be in Edison. Both missed a good meal. We should try this again on a weekday. Someone will drive Dave.

Newish Stuffs Dept: **New Pig Out will be the 20<sup>th</sup>** and for a change will be a breakie, breakfast to you Yanks. At 9am show up at the Pancake Haus in Edmonds, 530 5th Ave S, Edmonds, WA 98020 (425) 771-2545.

Gail is having a birthday this month but refused her free desert. I should put her in the sick column.

And I couldn't believe it. I didn't win the 50/50. I never win anything. Wayne, however, not only won the money but altogether won with 5 out of his 6 tickets. Bettah fo' gets one lotto ticket on da way home, brah.

Last, there is a car show in Maple Valley on the 13<sup>th</sup>. It's a good chance to go visit our dear, dear friends down there and cockroach free stuff. Did I say that? If we can get any interest, (email me) the Capt can come up with a place to meet for the drive down. Give this one some thought.

Behind every successful man is his woman. Behind the fall of that successful man is usually another woman.
