Who you callin' a mob?

Sept of Twenty Fifteen News Stuffs

Persons kept trickling in until we had a mob (or whatever car persons come in) of 15. Our hopping mob included self, Jerry and Linda, Louie and Mary Lou, Wayne and Ann and their son Louis, Ralph and young Lacy, Greg and Gail, Phil, Dave and two new hot-rodder guests, Andri and Bill Costello who have a '30 A. Welcome to organized chaos.

While Bill is over the mountain seeing if his trailer is in charred embers, Ralph and his trustworthy assistant got the ball rolling. The treasurer reported a pile of money in the bank and added 53 bucks to it.

He's an Oldie but a Moldy Dept: Wayne's B-Day party was exciting to say the least. Not so much the party itself as the trip to get to his house. Anyone dumb enough to come from Whidbey would have found 40 mph headwinds, no stop lights, tree limbs littering the road, leaves and small foliage flying about like anti-aircraft flack. No matter, no damage and the cake was ono. 54 other persons were silly enough to leave their darkened house.

More old stuffs: For those of us who planned to attend the Nile show on Sunday, a drive by found no lights but plenty of rain and wind. So much for that.

The Burger Master show was a blast. Lots of cars, music and a 5 dollar chit for some Burger Master grines.

New Car Show Dept: Meadowdale HS Boosters and Harris Ford are having the 3rd annual Drive 4UR School FUNraiser. Take a free 15 min test drive (in a Ford, of course) and the company will donate \$20. It's free and at Meadowdale HS, 6002 168th St SW, Lynnwood. The day is Sat, Sept 26th from 9 to 5. Bring your car to help advertise the event.

Monroe Swap Meet next month, Oct 10-11. 6 spaces for your junk.

Mr. Dave Snow won the 22 smackers in the 50/50 which he will use to pay the deductible on his insurance as the new F-1 pickup he just bought got rear ended. See Ralph's ad in For Sale.

If I agreed with you, we'd both be wrong.

The web site is complete and is back at our regular address. <http://pugetsoundlimiteds.com/> We're on Face Book @ <https://www.facebook.com/pugetsoundlimiteds>

Email Troy (troy@tat-inc.com) a photo of your car or truck **before and after** the restoration.
