### Nov of Twenty Fifteen News Stuffs

It was a cold and stormy night. Well, ok, it wasn't too stormy but it was cold and DARK. Persons unafraid of the dark included Billy and Judy, Wayne and Ann, Greg and Gail, Phil, Bill #2 and Andei, and braving things that go bump in the night, Troy and Angela. Persons afraid of the dark included the Oak Harbor crowd.

**FIRST, note there will be NO meeting in Dec except for the Xmas party.**

The Treasurer deposited 66 clams plus a 25 dollar check from Bill and Andei and 15 bucks from the 50/50. He done good.

Sick call only included Greg who had brancides but is now recovering. Beer seemed to be helping.

Some Old Stuffs Dept: The swap meet. It rained and rained and rained and rained. A steady fall was well maintained. And when the place was one big bog, it started raining cats and dogs. Of course there was a minor 60 knot wind storm too. Jerry said that if anyone had given him 25 cents they could have had it all. For those of us who procrastinated, Sunday wasn't too bad, just a bit chilly.

Christmas Party Stuffs are on page 3. Contact Judy if you are going but were not at this meeting.

Some New Cyber Stuff Dept: We was hacked. "Somebody" has been watching those darn Russian porn sites again. Troy said the PSL site was out for a few days while he had to rewrite the entire web program line by line. I'm pretty sure that was a big pain in the okole. I think a free desert is in order next meeting. Maybe two. So he wants everyone to check out the site and look for errors. I didn't see any but I can't find the ketchup in the fridge either. Again, plenny mahalos, brah.

Misc Dept: Jerry and Linda did indeed sell their home, move out everything and go off to South Carolina, all in 34 hours and 56 minutes. They are now sending obnoxious photos of sun and sand. In the meantime they are scanning the internet for a new home.

Ms. Viikkii from Arizona will be in our area. Unfortunately it's not a fun visit. She is coming to visit her sis in Edmonds who has cancer. The club is thinking of you.

As is our SOP, we let the new Bill win the 50/50. Good, now that's over and he can wait for years (like me) to win again.

Here is the almost last of many announcements about our Christmas party. Collector's Choice in Snohomish is the joint. See page 3.

.As I age, I realize that I talk to myself, because sometimes I need expert advice.

The web site is un-hacked and is back at our regular address. <http://pugetsoundlimiteds.com/> We're on Face Book @ <https://www.facebook.com/pugetsoundlimiteds>

Email Troy ( [troy@tat-inc.com](mailto:troy@tat-inc.com) ) a photo of your car or truck **before and after** the restoration.
