Capt Smith, Titanic

## Apr of Twenty Sixteen News Stuffs

At the helm of a rudderless ship stood our mighty Captain Billy. Actually he was sitting. Somewhere from the wailing din of tortured souls came the smack of the gavel. And then...another smack...and another. Didn't work so he started the meeting without us.

Our personal Tower of Babble included The Capt and first mate, Jerry and Linda (back from the harsh Arizona winter), Bill and Andei, Louie and Mary Lou, Wayne and Ann, Greg and Gail, Phil and Dave (not actually together in the Biblical sense but...oh, never mind) and of course me sitting so quietly taking notes.

Monies Report: The treasurer transferred our funds to Panama and Mossack Fonseca. No report yet as it takes a while for mail to get from our offshore account in Lower Estonia.

Health and Welfare Report: All most everyone was accounted for at this meeting and all looked exceptionally spiffy.

Under old Swap Meet Dept, Greg went to Portland but was unable to complete the circuit due to its size. Still he managed to buy a small load.

Pig Out Report: The March oinker was breakie at the Pancake Hous attended by Bill and Judy, Wayne and Ann, Louie and Mary Lou, Bill and Andei along with her brother. If I missed anyone it was just that the babble was at full volume at that moment. Sorry.

Next Pig Out Dept: Saturday, **Apr 16<sup>th</sup> at 0930 at Colonial Pantry.** Address is 9627 NW 205<sup>th</sup> St in Edmonds.

The club received a mahalo for each of the donations we made.

I got a invite from the Mukilteo Chamber to our club for their June 25/26 Car Show just up the hill at the antique aeroplane museum. Jerry and I had a good time last year.

As usual, Louie shows up to collect his 50/50 winnings. That 20 bucks better show up on your tax forms, Louie.

Thanks to all who actually drove their hot rod. I'm sorry I didn't think to take a photo of Bill and Andei's. What a great paint job.

Going to church doesn't make you a Christian any more than standing in a garage makes you a car
