How can Wayne's little Willy need so much damn wiring?

## Jun of Twenty Sixteen News Stuffs

A beautiful day for wiring or going to a car club meeting. Wiring includes Harry and meeting includes Bill and Judy, Jerry and Linda, Bill and Andei, Wayne and Ann, Greg and Gail, Phil, Dave and moi.

After a two month wait, the exciting news out of the World Bank, the Federal Reserve and our treasurer is the 13 bucks from last months 50/50.

Health and Welfare Report: Louie is being bothered by his back and will do Zumba all month so he can make it next month. Greg had a bad allergy attack which put a damper on his planned boat trip.

Old Pig Out Report: Good food was consumed at Hill's Restaurant by Bill and Judy, Wayne and Ann, Louie and Mary Lou, and Bill and Andei.

Next Pig Out Dept: Wake up early for a breakie at Hop Jacks in Lynnwood, 196<sup>th</sup> and 99. Time is 0930 at Sun, the 26<sup>th</sup>.

Next is car business, ie: Monroe Swap Meet: WET! We voted to keep all 6 spaces and to pay Bill for one spot from the club funds. All monies need to be in by July 1<sup>st</sup>. Meeting for the Fall setup will be at the Jerk in the Box Friday at 1pm.

Linda asked me to add this Lake Chelan car show.

<https://www.lakechelan.com/events/lake-chelan-car-show/>

Last was a motion to keep all the suckers who are club officers. It passed with only one vigorous nay.

The 50/50 was won the treasurer who finally has some money to replace his loses at the casino.

FYI: On the 19<sup>th</sup> three old ladies (two from New Zealand) and one old guy in one old car will attempt to head into deep central BC eventually catching the Port Rupert ferry back to Vancouver Island and the July 1<sup>st</sup> Canada Day Car show. If your secretary doesn't show up next month, he is probably still alongside some road waiting for CAA to show up.

I'm taught to respect my elders but it's getting harder and harder to find one.

The web site is un-hacked and is back at our regular address. <http://pugetsoundlimiteds.com/> We're on Face Book @ <https://www.facebook.com/pugetsoundlimiteds>

Email Troy ( [troy@tat-inc.com](mailto:troy@tat-inc.com) ) a photo of your car or truck **before and after** the restoration.
