## Sep of Twenty Sixteen News Stuffs

The VP/President pro tem rapped his salad fork and brought the room to attention. Right!! A few of the attentive members included Jerry and Linda, Bill and Andei, the Pres' wife, Greg and Gail, Phil, Dave and the inattentive member was the Sec.

The beer drinker/Treasurer pro tem reiterated last month's report. The money is gone but not forgotten.

Old Stuffs: The Nile show had 94 vehicles show up (plus a few cockroaches). The '38 Graham took the Best of Show as he does wherever he shows up. Two PSL persons won an award. Dave took 2<sup>nd</sup> in Ratter and the sec got the Directionally Challenged award for number of miles back and forth in the I-5 corridor.

Wayne, on the other hand, did a straight line run to the Pleasanton Good Guys Show in California. He and his Volvo mate drove down in their hot rods; can you imagine? He enjoyed it until his credit card blew up, melted from over use. Still, he was happy, no problems and 19mpg. Greg ended up with a sore back from too many hours under the bus where his wife threw him. And Jerry Van Gogh cut off his ear in an act of undying love for his sweetheart, a '38 four door. The docs also gave him a wee bit of good news as there is no sign of a tumor between those ears. Very good news. Now, no more farting around. Back to work.

New Stuffs: **The Sept Pig Out** will commence on Sunday the 25<sup>th</sup> at 0930. It will be at the Edmonds Pancake House next to IGA. Bring cars. Not just cars. You know, CARS.

Car Stuffs: Monroe Swap Meet: 6 spaces and meeting for the Fall setup will be at the Jerk in the Box, Sept 7<sup>th</sup>, Friday at 1pm.

Car shows in the future Dept: 1. Jerry and I went to the Monroe Fair show last year. A good time, lots to see besides old cars.

Christmas party is Sat, Dec 3. Shop for my pressie early.

Two birthday persons but only Linda was present. Mary Lou can have hers next time.

Good of the Order Dept.: For being such a good President, we gave Wayne the 17 smackaroos from the 50/50. **Last, anyone want to go to the Radium Hot Springs show on Fri and Sat, Sept 16-17?** It's a mere 500 miles from my house to Radium, just this side of Calgary. 1000 cars show up. I'll go if you will. Really, I will.

One last small detail for those who have endured this clap trap this far. You need a Sec pro tem next month as by meeting time I'll be flying out of LA on my way to Panama. Two days there and on to Havana. Shush, don't tell Donald. He may not let me back in the county. I'll be on a cultural trip looking for the rare Moskvich powered '56 Chevy.

If I had a dollar for every girl that found me unattractive, eventually they'd find me attractive.
