Free Money!!!

Mar of Twenty Seventeen News Stuffs

It was a dark and stormy night, which pretty well describes every freekin' night this Winter. This particular one, however included Billy and Judy, Louie and Mary Lou, Wayne and Ann, Greg and Gail, Phil, a young couple from the deep southland and of course your specialist in unpunctually and his sleight of hand assistant, Mary.

Sorry we're late but as you can see above, I've been working at a rate of knots on the new project for RT 66.

Greg Stuffs: Judy stuck the 200 bucks from the party back in. So, we're good. Plenny kala, brah.

Sick call for once was zero and that's good (and rare) at this age..

Old Pig Out: The nine persons indulging in intemperance at Grinders thought it was a good suggestion and ono grines.

Harry is still looking for a few good men and a few hot women, perhaps pupule li'i, to join him on Rt. 66 in May. <http://azrt66.com/>

Swap Meets Up the Gazoo Dept: On the car calendar are at least 4 more swap meets coming up. See side bar for locations of same. In the same line of thought, Greg has two booths at Monroe on May 20-21.

More car junk: The Nile has declined to participate in the Rodtiques Colby Show. We will have to see what happens.

New Porker Indigestion Lunch: This one is a breakie, that's breakfast, mate, and it's in Edmonds at the Channel Marker, Harbor Square by the Gallagher's Brewery. That's **Saturday at 9:30AM on Mar 18th**.

Try t'ink Dept: OK, try to think of an activity we can do as a group. Like drive to Arizona and RT 66?? And another thinking project. Should we continue to return the \$25 dues at the Christmas party? Are people really coming only to get the money back or do any of you care about that and like me, just come to get a prezzie and drive home drunk?

Alternative Facts Dept: Harry won the \$16 50/50, the winning number picked by his trustworthy assistant, Mary. We may have a couple of upcoming politicians here.
