June of Twenty Seventeen News Stuffs

Harry the Yank Abbott, our usual scribe for this rag is out cruising Route 66 with his hot rod and custom (read that home built with his own hands) trailer. There will be stories next month!

In the meantime, here are a few words about our May meeting. Eleven members and one guest surround the table including Greg and Gail, Jerry and Linda, Phil and Dave, Mary Lou and Louie and Wayne and Ann. Our guest, Scott Olsen, is a friend of Greg's. Scott tells us he has one and half F-150's He has come to us for guidance.

President Bill and wife Judy have gone fishing so Vice Pres, Wayne filled in to lead the meeting. Treasurer Greg had his usual report that is he doesn't know how much money we have. Someday he will find the check book in that giant bag he carries.

Andi Costello has a case of the coughing crud she caught from a relative. Last month's Pig Out was at the Hook in Perrinville. Good time and good eats had by eight members of our gang.

Linda reminded all of the Monroe Swap Meet, May, 19, 20 and 21. If you want in meet at the Jack-in-the Box in Monroe at Noon on that Friday. We have our usual 3 booths, thanks to Linda who did some fancy dancing to get them for us. Seems the Meet people gave them to someone else, but Linda stayed on their radar and finally got our space for us.

Here is a reminder that last month we voted to change our dues handling at Christmas. Dues will not be returned to the Christmas party revelers to spend on food and drink. This was decided to heal our bleeding budget.

We are still looking for some summer action. Suggestions for a warm weather activity include a summer picnic, or a cruise to Mt. Rainier or some friendly wineries.

May is our month for election of officers, so say the by-laws. Greg moved that we re-elect the current board, especially since two of them are out of town and can't object. This was passed unanimously and with great hurrahs.

Our social calendar is so full this month that it was decided to skip the Pig Out for May. What with Mother's Day, the Monroe Swap Meet and Memorial Day, we just can't fit it in. You will have to pig out on your own.

Hope to see you all next month!
