## Feb of Twenty EIGHTEEN News Stuffs

OK, I made this meeting but will miss the next one....unless you guys decide to have the meeting at 11pm as my plane from O'ahu arrives at 10. Ah, life is hard.

February meeting. This rainy night we're Bill, Judy, Ann, Wayne, Bill & Andei, Greg, Gail, Dave, Phil and once again our returning guest, Jim Eck. Amazing, NO one ever comes twice. This guy must be tough.

Car Report: Wayne's Willy is actually in the body shop. In the meantime, the engine and all the chassis junk are being put back together at Wayne's. Troy's truck still needs engine installed then ready to paint. Bill Costello took delivery of his 37 Ford. See above. The car looks good and so does he.

Person Report: Louie is doing well and Linda still has her eye problem. No one could remember the problem name but let's hope they both recover for a fun Summer.

Our bank called Judy and asked if our club wanted either a loan or credit card. Wayne went for the credit card and I took out a 10k loan.

Club dues are due in February. \$25.00. Please send all your spare cash to Greg at 9228 242th St SW, Edmonds, 98020 or bring it next meeting and give it to the Secretary.

The old Pig Out had a gaggle of PSL persons I'm told. That's 8+. **This PIG OUT is Sunday, the 25<sup>th</sup>** at the Beach Café. Dinner will be served at 5pm. It's at the Edmond's waterfront under Anthony's seafood.

There are a gaggle of swap meets coming up (ok, maybe not 8+ but a lot). Monroe, Puyallup, Portland, Yugosloviavick, etc...

Once again the Captain's darlin' won the \$16 50/50. Judy, you know the new guy is supposed to win just so we can get him coming back. One B-day, Dave but he passed up the dessert. Is he sick?

Last was a dramatic reading of Death on the Highway in an Antique Piece of...uh...History. It will make you look at your classic in a whole new light. OK, I must get back to working on my '55 Chevy Death Trap.

If you can smile when things go wrong, you must have someone in mind to blame. <http://pugetsoundlimiteds.com/> We're on Face Book @ <https://www.facebook.com/pugetsoundlimiteds>

Email Troy ( [troy@tat-inc.com](mailto:troy@tat-inc.com) ) a photo of your car or truck **before and after** the restoration.
