## Sept of Twenty EIGHTEEN News Stuffs

On the road again

Attn: Please note the change in Section 6, paragraph 359, sentence beginning with Attn: Please note the change in section 6, etc, etc, etc. This has to do with Taco Time and eating so pay attention.

Those who pay attention were not in attendance but the rest of us, self, Bill and Judy, Jerry and Linda, Billy and Andei, Wayne, Greg and Gail, Dave and a guest, Dan Brand, who is working on a F-1, were there.

Treasury Report: Next month we will get a report, really, true, I'm not kidding, the treasurer said so and I have this nice bridge to Whidbey Island that I'm selling.

Fall down boom Dept: Ann did a oospie and ended up with a black eye. Lets take it easy out there. Mr Louie is back working on his truck but is still feeling discomfort. And Greg is trying to revive the Pet Rock phase. Keep it in your shop, not your kidney, Greg.

Oldish stuff: Eight people came to the Pig Out. It went well, I think it went well, actually I missed that part.

Monroe Swap: Linda will have passes into Monroe at our meeting at Jerk in the Box at 11am on Friday. After kaukau, we can take all our stuff in and add it to the huge collection of junk already there

Newish Stuff: Our social gastronomical event (something like a Pig Out but with fancy schmancy words) will be at **Appleby's on the 22<sup>nd</sup>. It's dinner at 5pm** and is across the street from Taco Time on 196th and 44<sup>th</sup> in Edmonds. This is where Section 6, paragraph 359 comes in. Taco Time is canceled, kaput, please disregard all previous information on this subject. More from Bill at the next meeting, I'm sure.

Xmas: Christmas will come early this year, on Dec 1<sup>st</sup> (confirmed). Like the previous parties this Christmas will be full of jocularly and gaiety and tons of food, what else? We voted to let Judy write CCR a check for our deposit. Suggestions for men's gifts included chrome plated carburetor doilies for a 55 Chevy. Jus' sayin'.

Good of the Order Dept:

Next month is "wear a really loud Hawaiian or car shirt to the meeting", probably over your long johns.

**Troy needs a water pump pully and fan for a 272 ford.**

The Bday this month was Linda turning 39 and she shared her mostest delicious chocolate cake around the table. Bless you, child.

Greg tried to take the bus for a spin, blew a rad hose and ended up replacing a head. Almost back together. Billy#2 is installing a new 350 block in his '37. Almost ready to fire (approved by the Willy inspectors). Harry told a wonderfully humorous (and modest) tale of his trip to Californacated through smoke and things that go bump in the night.

Greg took home the 50/50 of 16 big ones if one-dollar bills can be considered big.
