Happy New Year

Jan of Twenty NINETEEN News Stuffs

First, a big shout out to Wayne who picked up the meeting notes that I left and to Ann who emailed them on. Without them you would have nothing to put under your Ford to catch engine leaks. And second, as you can see, Wayne got his Willy back from the surgeon and now it looks just like a '51 Kaiser. Those guys are good, Wayne. No wonder they cost so much.

OK, on with the show. First order of business is to introduce all the members of the audience. Alphamerical by base 8 included Bill and Judy, Billy and Andei, Wayne and Ann, Greg and Gail, Jim Eck, Phil, moi and guests up the kazoo. Todd returned. No Debbie this time but he brought daughter Hanna who has a '68 Mustang with a 428. Hot mercy! She was accompanied by Conner. Remember, Conner, you can always find a woman to marry but not a woman with a 428. Jus' sayin'. Next we had Wayne and Ann's son, Louis and Elton who was a Bill#2 invite. What a great way to start the new year.

Monies Report Dept: We know, next month....however, dues are due. Break into the piggy bank next month.

Classic news: The Christmas party was a great success. My meal was great as always. Plenty of good friends and as Gail noted, there was a lot of comradery with people moving around and socializing. Bill #2 noted that he was indisposed because of the collywobbles and stayed home. A good thing as no one wants the collywobbles. The only problem is that he had bought two Seahawk's blankets, one to give away at the party and one for Andei. Of course, Andei now wanted the party gift one as she didn't know about the other. Nothing Bill did or said could convince her otherwise. He finally had to fess up and tell her that she had just ruined his surprise. Nordeen's brought Christmas baskets full of lollies and a gift for everyone. Many thanks for that.

Pig Out Dept: It will be in the Salish Sea (wear a wet suit and flippers) on Saturday the 19th at 5pm. It's at 518 Dayton St # 104, Edmonds, WA 1 425-582-8474 assuming I got the right place.

Last meeting Debbie introduced us to her powder coating business. This month Elton made known his E Company Kustoms, a once small shop which has expanded to include most every service a hot rodder could need.

Elton's business is at 15002(A) Highway 99, Lynnwood, WA 425-879-3023 eroundhill@gmail.com
