Next PSL meeting Mar 7, 2019

Jan of Twenty NINETEEN News Stuffs

Yikes! What happened? I leave you guys in charge for one bloody week and I come back to a disaster. I leave Hawai'i and in 5 hours I go from 76 degrees and sun to 34 and more snow than Kilimanjaro. Next year one of you will have to volunteer to go to Hawai'i so I can keep my eye on this place.

Moving On Dept: My trustworthy assistant has left me with this essay on the mating rituals of old truckers and things that go bump in the night. Members in attendance: Bill Baker, Wayne and Ann Erickson, Bill and Andi Costello

Temp: 30 degrees, roads are bare and dry. This meeting is being held on the eve of the 2019 snowmagedon. **(Is this an admission of guilt? Who caused this?)**

Harry has absconded to Hawaii. **(Take me back to my little grass shack....)** We don't know where Greg and Gail are, possibly snowed into their house. We skipped the 50/50.

Old Business: Pig out at the Salish Inn. Consensus is that the food was good but it was too noisy. Also, the bathrooms are too far away, being in the next building down the street. **(Sec would not like that)** Good turnout, Debbie, Todd, Hanna, Connor, Wayne, Ann and Bill Baker and Bill and Andi.

New Business: Club received a gracious thank you letter from the food bank for our \$200 donation. **New Pig Out:** All agreed on [Scott's Bar and Grill, Sunday, Feb 17 at pm 8115 Lake Ballinger Way, Edmonds, WA 98026.](#)

Judy is still having trouble with some ornery kidney stones. Wayne and Ann just passed their 49th wedding anniversary. **(Is that harder to pass than a kidney stone?)** Let them eat cake! **(Cake? There was cake?)** This was the shortest meeting in the history of the club and was adjourned at 7:15 pm **(darn, I could have made the earlier ferry)** Then they sat around for a half an hour and swapped trailer accident stories!

Well, sorry I missed it. The snow, not the meeting. Let's hope that the only thing white for the rest of the month is the sands of Waikiki.

When the kids text me “plz” which is shorter than please, I text back “no” which is shorter than “yes”.. <http://pugetsoundlimiteds.com/> We’re on Face Book @ <https://www.facebook.com/pugetsoundlimiteds>

Email Troy (troy@tat-inc.com) a photo of your car or truck before and after the restoration.
