Dave Snow stuck in his namesake

Feb of Twenty NINETEEN News Stuffs

Wow! Back to a “normal” meeting, no snow or hail or sub-zero temps. I can handle. Persons in this semi state of dilutional euphoria included one lost Hawaiian, Billy and Judy, Bill#2 and Andei, Wayne. Greg, Phil, Jim Eck and our newest members, Debbie and Tod. Yep, one D.

The treasurer has a bunch of dues, maybe 5. How’s that for accuracy? That’s on me, not him. And Judy still has a 200-buck refund from the Xmas party.

Bilious, languid, and indisposed Dept: Judy has recovered, Louie is still hurting and both Gail and Ann got caught by the flu bug.

Antediluvian Dept: The Pig Out at Scott’s Bar and Grill was a little pricy but good. So says the spokespersons for the 6 persons who attended.

Newish Dept. Stuffs: This year’s donation will be to the Edmond’s Food Bank. And this month’s Pig Out will be at (pay attention) the Family Pancake House on **Saturday the 16th**. Yep, in two days so get busy being hungry. **Nine (9) AM**. Address is 530 5th Ave S in Edmonds across from Hamburger Harry’s.

Good of the Order: Event calendars from Dreamers were passed out. The latest bill regarding vehicles has deleted emission testing altogether. It appears that the large amount of death and cancer-causing pollution that our antiquated motor cars put out is not enough to make it worthwhile to check. Wayne has taken his Willy to a new doctor as the last one was taking so long that he was afraid he would be dead before he got to use it. Who knows, modern medicine is wonderful. And Bills #1 & 2 and Greg went to Thrashers Corner Car Show at the Dairy Queen. A full house. The Captain won the 50/50. As a reminder, Debbie’s powder coating business is PCI on Mukilteo Speedway, 425-754-6506.

Today a man knocked on my door and asked for a small donation towards the local swimming pool, so I gave him a glass of water. <http://pugetsoundlimiteds.com/> We're on Face Book @ <https://www.facebook.com/pugetsoundlimiteds>
Email Troy (troy@tat-inc.com) a photo of your car or truck before and after the restoration.
