## Apr of Twenty NINETEEN News Stuffs

Mr. Wayne (VP) Erickson called the meeting to order. He may have a small Willy but he carries a big gavel. He is in charge as our beloved Prez is under the weather. Judy will fill you in. Let's hope he has recovered by next month.

Our crowd was thin, figuratively, not literally. Still it included Mr Harry, Mr Bill and Ms Andei and guest Alan who is maybe Bills cousin, Mr Wayne and Ms Ann, Mr Phil, Mr Dave Mr Jim and Debbie and Tod who for some reason are still coming. AND we love them for it.

Old Stuffs: Six showed up at the Pancake House for breakie. Declared a success.

New Stuffs: The swap meet is next month, 18<sup>th</sup> and 19<sup>th</sup>. Our chief operational officer is on her way here, flying here to help us at great expense I might add. Next month we organize.

Piggie Outie: This month it will be on the 20<sup>th</sup> for lunch at The Hook in Perronville. Isn't that where superman lives? It's at 76<sup>th</sup> and Olympic View Dr and is at 12 noon.

In the 50/50 the temporary Prez permanently took the money. It's ok. When the bill comes for the Willy, he will need every bit of it.

And Dave is trying hard to beat my record of engines that he has either had rebuilt or changed in an F-100. Granny is runnin' sweet now though. That's it, we're done, all pau, kaput....Get your ride ready for the May meeting. Let's let the pizza crowd know what kind of club is in the back room.

I find it ironic that the colors red, white and blue stand for freedom, until they're flashing behind you. <http://pugetsoundlimiteds.com/> We're on Face Book @ <https://www.facebook.com/pugetsoundlimiteds>

Email Troy ( [troy@tat-inc.com](mailto:troy@tat-inc.com) ) a photo of your car or truck before and after the restoration.
