## May of Twenty NINETEEN News Stuffs

We hardly need a newsletter this month as nearly the entire club was present. What a great crowd. Our fearless leader is back with Judy, also Jerry and Linda are back from warmer climes, Bill#2 and Andei, Wayne and Ann, Greg and Gail, Dudes by themselves were Tod, Jim, Phil, Dave, Harry and Dan (who is Linda's nephew from Phoenix).

And for once the treasurer had a report, a plus \$140 from the 50/50 and dues. For a total, please email me your wife's maiden name and Visa pin code.

Hospital Visit Dept: Bill says thanks to all who came to visit him. Recovering slowly, looking great.

Louie has a sore foot and is still bothered by his back.

Old Stuffs: Swap meet May 18 & 19 (getting' close). We have vehicle entry passes. Greg is donating a spot and we meet at Jerk in the Box at 11am on Friday, the 17th for entry and setup. Next was discussed whether we want to keep our usual number of spots. Voted to procrastinate one more year.

Pig Out Dept: Last month was the Hook. Linda said 9 PSL persons came. Good service.

New Stuffs: More Pig Out. Because of holidays and swap meet, it was decided that there would be NO May consuming of nourishment this month.

Good of the Order: We joke that the new visitor always wins the 50/50. That's just to get them to shake loose 5 bucks. But darned if Dan didn't take our 23 Yankee dollars back to Phoenix with him.

Greg's tale of woe includes the Magic Bus, which when taken for a spin, just wanted to keep on truckin', aka: not stopping. Turns out to be a bad "new" master cylinder. He got home without damage. Amazing as he lives at the bottom of the Grand Canyon.

Harry went to Redding with 2000 of his closest petrol head mates. Wayne just got his third '52 Willys. Another one of those "I just can't pass it up, dear" kind of things. The next one had better be bigger as you will be living in it. Jus' sayin' .....
