## October 2019

Dash blast the garsh darned blinkity heck! Excuse my language, ladies but what happened to summer? It was here a minute ago and now it's gone off to Arizona with the rest of the flower children.

Left to suffer the slings and arrows of outrageous winters are The Capt and Judy, Greg and Gail. Bill and Andei, Wayne and Ann, Todd, Debbie and Tod's daughter, Hannah, me, and two kids lookin' for the summer, Jerry and Linda.

Treasurer Report: Same...I am switching jobs with this guy next year. Club Personnel Personal Report: Louie is getting a last foot rub or something. You know I never listen. BUT I do know that Mary Lou had her 85<sup>th</sup> birthday. She said she would rather have flowers now than at a funeral but she got so many flowers that she said the house smelled like a funeral home. You can't win, Mary Lou. Happy Birthday. Linda got a steroid shot in her hinterland and is on blood thinner to take care of the heart flutters. And Judy took a fall but luckily nothing broken and now looks to be back to normal. Be careful out there, people.

Swap meet: Tables, saw horses, plywood, and electric prunes are on the way. Just kidding about the prunes. Just wanting to see if anyone is reading this tripe. Friday setup: meet at Jerk in the Box at 11am on 11 Oct. Don't forget to bring your pass to get your truck in.

Old Pig Out: It had 9 PSL persons attending and was at Hills ("Restaurant" I'm assuming but knowing these guys, it could have been an auto parts store.)

Halloween: Just down the street from Spiro's is the Presbyterian Church at 3<sup>rd</sup> and Richmond Beach Rd. Dress up as your favorite lawyer, bank robber or politician. It's the same costume, good for 3 years. 6-9 pm.

Xmas Party: It will be either Nov 30th or Dec 1<sup>st</sup>. Debbie will call. Brand New Stuffs Dept: The new Pig Out will be on the 27<sup>th</sup>, a Sunday, at 5pm. This month it's at **Scott's Bar and Grill in Edmonds**. Address is 8115 Lk Ballenger Way.

Show reports were Snohomish-good, Edmonds-rained out 50/50 was won by Hannah who bought 2 tickets with her last 2 bucks and won the 50/50 and another prize also. Tod, take this woman with you and have her buy us both a lotto ticket.

I used to be indecisive. Now I'm not so sure.

### From the ongoing saga of Pooh Bear, the bear of very little brain....

A funny thing happened on the way to Canada. I had no problems. The second thing I noticed was that Mary was not with me. Odd, I thought until I remembered Pooh's last trip. So, I shouldered on, brave chap that I am and had a fabulous trip through the Canadian wilderness on the almost 900 klick trip to Radium Hot Springs where I met up with 750 of me closest petrol head mates. A terrific weekend with good music by the Blue's Brothers and their musical cop car, lots of new friends and an invite to a barbie and drinks. As usual, the little red trailer got more attention (oh, isn't that cute) than the car but I was happy to have people stop and say hello to the only Yank. Came home border to border on Washington's hwy 90, a slow and winding road perfect for a relaxing drive home. Well, except for that section of road that had a sign saying "HIGH KILL AREA" along with a big red spot in the road every half mile and a large pile of deer parts. Now, anyone want to do Texas to Bakersfield next year? Oh yeah, you'll need a 55-57 Chevy.
