Next PSL meeting **Dec 5, 2019**

Have a happy
Thanksgiving

November 2019

OK, let's just start by lookin' at my contract. I believe it says my salary only includes the minutes for 11 meetings. So, some wise guy wants 12 this year. Who, I ask who, is going to pay for that?

And no, I'm not taking this guy's job after all. It turns out that the Treasurer actually does some work. He took in 25 bucks and maybe it was 159 total or maybe the 25 was part of that too, Heck, I don't know. If I'm going to screw it up, I'd better stay Sec. The actual bank total will be released maybe next week in public hearings restricted to members of the Athabaskan culture.

Porcine Repast Dept: Scott's Bar and Grill. Six PSL persons, good food, loud (the place, not the food).

Trunks or Treats (plural): Wayne reported a gaggle of kids and a few pirates came to the Calvin Presbyterian Church. Harry had over 450 hanabata keikis at Ace Hardware.

Debbie has paid 30 clams to CCR for reserving our Christmas party spot. Coming up before you know it but there is still time left to shop for something nice, really nice, for your scribe. A 5000-dollar gift card from Summit Racing would fit in my stocking nicely. Moving along, it's at

Collector's Choice Restaurant

215 Cypress Ave. Snohomish, WA 98290 · (360) 568-1277

The date is **November 30th** & Time is 6ish.

The important stuffs: Food, I think it's the same as last year, pasta, chicken or dead bovine. Always good. The beautiful and very generous Ms. Debbie at Powder Coating Inc. is providing the pupus. That's like hors d'oeuvres but I can't spel French very wel. Gifts: Now we get down to what Christmas is all about. Bring a gift up to \$25 value unless you think I might get it. Label it as matching your identity, M, F, Other, LGBTQ or chance'um. We are paying for our own dinner. Hay, I thought the economy was doing swell.

Swap meet: A bit sparse this time around but the weather held for Sat. Tod sold tons of stuff and we really mean tons. He caused two hernias. But then he bought an Edsel/Ranchero. A man can't have too much stuff, yes, Tod?

NO Pig Out Dept: Thanksgiving has canceled the Pig Out. Sorry, only one per month.

We pick a favorite charity next month.

Good of the Order: The Burger Master in Everett has closed. The owner turned 83, sold it to a pizza joint and has met a beautiful young lady of similar age who has just returned from Bora Bora. Wait, this is starting to sound familiar.

Harry won the 50/50, all 10 bucks. Guys, is this the best you can do, 12 issues of slaving back breaking work and I don't end up with enough to buy a chrome plated carburetor doily...So sad...

You're never too old to learn something stupid.
