Next PSL meeting Feb 6

Happy New Year!

January 2020

It seems that it was only a year or two ago that I was worried about my GPS exploding during Y2K and here I am typing 2020. I don't mind getting old but I didn't think it would happen so fast.

Other people getting old with me include Mr. and Mrs. Baker, Mr. and Mrs. Costello, Mr. Eck, Mr. and Mrs. Erickson, Mr. and Mrs. Mathers, Mr. Simons, Mr. Snow and special guests, Mr. Troy and Ms. Angela.

I hope that the following is my biggest blunder of the year (probably not) but here it is. The PSL persons in the above photo finally managed to get time off for a visit and on a very special month which I failed completely in mentioning. It would appear that this lovey dovey couple have an anniversary this month. Not only that but Troy has his birthday on the same day (ed: a very clever way to never forget your anniversary, Troy). My apologies, happy birthday and anniversary. Don't hurt yourselves.

Mr. Same-o Same-o said in his monetary report that it is time to pay the dues. A virtual flood of greenbacks crossed the table towards him.

In Sickness and in Health Report: Louie's foot has healed to the extent that he was back working on his truck. You can't keep an old trucker down.

Old Bis: For those of you who missed it, CCR provided another good Christmas meal. Ms. Debbie provided the pupus for the club. And we heard wonderful news that Hanna is back on her feet and doing school work. You can't keep a young hot rodder down.

New Stuffs: As you can see by the above photo, the Red Wagon is getting near to completion. A water pump, a thingamajig and a wee bit of a polish and we may see this beauty here for a meeting this summer.

-enter here a long discussion about shipping-

Pig Out Dept: Attention in the trenches, this one will be at the **Pancake Haus** in Edmonds. The date is **Saturday, the 18th at 9am** for breakie. All troupes please report.

-insert long discussion regarding hoods and hinges-

GOTO: Troy will revamp the web site. A good chance for all you slackers to post or email some new photos. Forgot who won the 17 bucks. Sorry. Last, we all chipped in for a 2020 gift for our beautiful Hungarian waitress who has been bringing Dave his pink stuff for years.

Let's make this, you're never too old to **DO** something stupid.
<http://pugetsoundlimiteds.com/> We're on Face Book @ <https://www.facebook.com/pugetsoundlimiteds>
Email Troy (troy@tat-inc.com) a photo of your car or truck **before and after** the restoration.
