## February 2020

Well, if it wasn't for Dave wanting to know when the Pig Out is, I may not have realized that my notes for the Feb meeting were still in the bag. So, this is not working. What else can I do that might get me sacked?

Moving along, we had a fairly good turnout for a cold and rainy February night. Self was present along with Bills one and two, Andei, Jim, Wayne and Ann, Tod, Greg and Gail, Phil and Dave.

Mr. Treasurer reported the monies amount which we will not mention for fear of the IRS. Seven dues were paid (NOTE the word **dues** if you haven't). Under the In Sickness and In Health Dept, Louie foot is a lot better but still tender. Judy fell off the wagon at 4am. Lots of bruises but didn't break any of the Rum bottles. Hope to see her back in March.

Old Pig Out: 9 PSL persons visited for breakfast at the Pancake Haus. Donation Dept: My suggestion to donate to the '55 Chevy fund was ignored and instead a \$150 each was voted for the Battered Women's Shelter and the Cocoon House in Everett. Very cool, people.

New Stuffs: Cruzin Magazine is up and running once again. In fact, I just received my copy. You can also go on line to visit them at [CruzinMag.com](http://CruzinMag.com).

We discussed the new "proposed" changes in the classic car plates. Basically, the legislators want to change the license fee from a one-time lifetime fee to once every five years. The amount and method of evaluating your cars value is still a bit ambiguous. If anyone comes up with a list of people to contact about this let me know and I'll fwd it to all. Obviously, our two Senators would be a good place to start.

New Pig Out Dept: May 16, Sunday at Colonial Pantry at 9627 Ferndale Ave in Edmonds. Be there for Breakie at 9am.

Good of the Order Dept: The Rain (see p. 2). Dave's Birthday, almost as depressing as the rain. Age? Don't know but old. Well, not seriously old. Swap meet: Greg has bought 2 spots and Jerry and Linda have one. Keep your junk pile small.

Last Harry won the 50/50 with the help of his accomplice. Almost paid for his salad and the big tip for the beautiful Hungarian waitress.

Wouldn't it be great if we could put ourselves in the dryer and come out wrinkle-free and three sizes smaller?

It rained and rained and rained  
The average fall was well maintained  
And when the tracks were simple bogs  
    It started raining cats and dogs.  
    After a drought of half an hour  
We had a most refreshing shower  
    And then most curious thing of all  
        A gentle rain began to fall.  
    Next day but one was fairly dry  
Save for one deluge from the sky  
Which wetted the party to the skin  
    And then at last the Rain set in.
