Sep 12 Edmonds

Sep 25 Mt Vernon Show and
Swap meet 360-416-1350

Sept 26 Snohomish

July 2021

Meeting called to this month by the First Sargent, Mr. Billy his self at exactly plus or minus 3 minutes of approximately 7pm. Listening intently were Bill and Judy, Billy #2, Wayne, Tod and Debbie, Dave and Self. Blah, blah blah Dept:

Swap meet is scheduled for Oct 9-10. We have our 6 spots. If Greg doesn't want his, various PSL persons will chip in and pay for it. I'll bet there will be a crowd.

The Carried Over from Last Month Just So You Don't Forget It Dept:
A Picnic: Debbie wants a picnic at her place. Both August and Sept will be busy months but if it involves beer and food, we can fit it in somewhere. More to come, hopefully.

Car Shows Dept: The really, really beeg one, GoodGuys. 3000 plus vehicles, 80-degree heat. It was hard on old people. Still, some amazing cars. Also got invited to a block party put on by one of the Tri-5 club guys which included a band, a food truck and a look at more than two dozen Tri-5's. Hansville had 160 cars in a fun/no trophy show.

New Shows Dept: Edmonds is coming up Sept 12th and Snohomish is Sept 26th.

Coffee and Cars is up and running at the Central Market. 8am -10am. Hope you know where that is. I'm told it's down 99, maybe 130th (but who remembers after 3 days). Look for hookers. That means you're in the right area. OR maybe that was another story. I was too excited to write it down) Call Wayne. I'll bet he knows. Maybe not about the hookers but the Coffee & Cars for sure.

The big 14 bucks from the 50/50 was again won by somebody who drew her own ticket. This time it will be Debbie who is put on the No Draw list by the TSA (ticket suspicion agency).

OK, Next meeting of real PSL people...Sept 2nd

I'm taught to respect my elders, but it's getting harder and harder to find one...

<http://pugetsoundlimiteds.com/> We're on Face Book @ <https://www.facebook.com/pugetsoundlimiteds>

Email Troy (troy@tat-inc.com) a photo of your car or truck before and after the restoration.
