Next Meeting Oct 7th

September 2021

Meeting called to order this month by Mr. Billy. Nine PSL persons attending. That would be self, Bill and Judy, Jerry and Linda, Bill #2, Wayne, Tod and Dave. Only a guess how many paying attention.

A Little Business First Dept:

Monroe Swap meet is **CANCELED**. We will let Monroe keep our monies so we are all set up for 2022. (Optimists that we are)

The web page is paid for another 3 years. The club is in great debt to Troy for his help. Plenny mahalos, brah.

And speaking of money it may be time to think about the \$30 yearly dues. Check your piggie bank.

Blah, Blah and maybe a Duh Dept:

Carried Over from Last Month Just So You Don't Forget It is a Picnic: Debbie wants a picnic at her place. Sept will be busy months but if it involves beer and food, we can fit it in somewhere. More to come, yes, Debbie?

Troy is taking his F-100 to E Kustoms to get it running. Hope that's right. Looks like we will see it soon.

J&L sold their little RV. Now off to AZ to sell all the rest before setting up in Carolina.

And last, Harry showed off his 5 car-unit (\$500) bag of wheel bearings that barely made it back from OR. Now you know why Mary doesn't like to ride along.

:

New Car Shows Dept: Edmonds is coming up Sept 12th (probably full) and Snohomish is Sept 26th. Tomorrow is also Lake Chalan and the Arlington Drag Strip Reunion. I may come back to Arlington if I can't get across the border or I may not if they let me across but quarantine me for a fortnight. OR if the US Customs won't let me back in, well then, Canadian can't be as hard to learn as Hawaiian, can it, eh?

Bill#2 took home the 15 bucks from the 50/50. At least he didn't draw his own ticket.

I'm taught to respect my elders, but it's getting harder and harder to find one...
