Next Meeting **Nov 4th**

Oct 2021

Please note that the above photo is not digitally enhanced. It is simply AFTER the BBQ. BURP!

Meeting called to order by Prez. Bill. Greg passed on that he will make a deposit next week. Normal hangers on include moi, Bill and Judy, Billy #2, Wayne, Tod and Debbie, Dave and our mate that we were very happy to see, Phil.

Oldish Stuffs: Edmonds's show had close to 300 cars and some rain. Snohomish had 200 cars and LOTS of rain. Colby had a cruise and Debbie had a BBQ. Trust me, the BBQ was the place to be. Tons of tucker and drink plus footie on the telly. How Fall is that?

Most important old news is: Ta..da... Wayne's Willy works. A little reprogramming, a few misplaced wires, a few grand in camshafts and voila, a Ferrari sound from a long dormant internal combustion device comes forth. OR...it's a hotrod, makes a lot of noise. Needless to say, Wayne is happy as a dead hog in the sun.

Newish Stuffs: Biggest news is that Tod bought Dave's old shop. Yep, the one that Dave used to teach up and coming burglars the art of B&E. Todd will use it to build cars and free up the home garage for storing finished ones. Also, he and Debbie are headed to Vegas for SEMA. The requirements are very strict to get in now, no more riding in on a friend coat tails. Bill and Judy will organize a run to Draeger's up in Burlington in the Spring. Amazing place. The dad collects memorabilia by the boatload, plus the place is chock full of cars for sale. Don't miss it. Linda emailed that they are 99% ready to escape to the Carolinas.

The captain his self-took home the 50/50 booty of 13 big ones. Last, Harry made it home from Canada. All I can say is that if you want to go to Canada, you must REALLY want to go to Canada. Lots of computer time and paperwork. If you do it right, you sail through the border crossing and do nothing but show id for the trip home. The show itself had 1015 pre-registered cars plus a gaggle of people that had not signed up. A very fun show and well worth all the trouble.

See you all next month...

I'm taught to respect my elders, but it's getting harder and harder to find one...
