Coffee and Cars is up and running at the Central Market. 8-10am

Next Meeting **MAR 3rd**

There is a car show slated for 23 July at Deception Pass State Park on Whidbey Island. Space is very limited. I'll pass on the moment the applications are available. It's the 100th anniversary of the park. Lots going on. It WILL be fun.

Feb 2022

Another meeting of diminutive duration tinged with disproportionate jocularity. The January meeting was dissolved due to a security problem with our [http//FTP.URL](http://FTP.URL) being hacked by an SSL/404. Our web site manager will tell you, bad juju.

Meeting called to order by Prez. Bill. The attending attendees were the secretary Bill and Judy, Bill numéro deux, Wayne and Ann, Tod and Debbie

Old two months ago Info Reports Dept: SEMA **Tod and Debbie**: Still waiting for those those selfies for next months newsletter.

Under the Weather Dept: Everyone in good nick, no one got the wogyet.

Coming soon. Bill and Judy will organize a run to Draeger's up in Burlington in the Spring. Amazing place. The dad collects memorabilia by the boatload, plus the place is chock full of cars for sale. Don't miss it.

Unless you are already at PIR Raceway you have missed the swap meet It's today. However, as an alternative, you can come to Monroe which is, as of this Covid moment, on for the 21 and 22 of May.

<https://m.facebook.com/events/3118796408364723/> will get you the latest info. If you have a desire to be a big wheel at the swap meet, you can volunteer to help the club that puts it on. Contact me and I'll pass your name on. It would entail all three days.

One more swap meet is the Portland one on April Fool's Day. Not kidding.

The club donated a hundred bucks to NW Harvest food bank.

Lastly, our 50/50 was taken by Wayne who will use it to help cover his upholstery job on the Willys. Okay, maybe 6" of stitching on a seat.

**“ONE DAY I’LL BE TOO OLD TO DO THIS.
TODAY IS NOT THAT DAY.”**
