Next Meeting **Jun 2nd**

May 2022

Meeting called to order by Prez. Bill. The attending attendees were the secretary, Bill, Bill numero due, Wayne and Ann, Tod and Debbie, Dave, Phil, Gail and a new boy friend that resembles A Werewolf in London before the full moon, and our special guests flown in at great expense, Jerry and Linda.

Our latest, well trimmed member reported no change in our Swiss banking account except a small stipen for his distemper shot last month.

Under the Weather Dept: Judy couldn't make it as she has a cold and pollen allergies. Hold your breath when you go out, love.

First thing in May is May 15, a pig out at Aurora Borealis at 11am. Ask the Google kid where it is. He knows all.

The next exciting activity is the **Monroe Swap meet on May 20-22**. On Friday for those bringing loads of valuable stuffs, everyone meets at Jerk in the Box Friday the 20th at 11am. As for the Fall meet, it is a no go. Bill and Greg both got a refund.

Bill and Judy have organized a run to Draeger's up in Burlington at **10am on June 4th**, the Saturday after our next meeting. Don't you worry your little brain about it. We will remind you. Amazing place. The dad collects memorabilia by the boatload, plus the place is chock full of cars for sale. Don't miss it. Bring your check book. Plans are to meet at the **Smokey Point rest stop at 9am**. Should be open but if not meet at the truck parking area.

Good of the Order:

There is a car show slated for 23 July at Deception Pass State Park on Whidbey Island. Space is very limited. I'll pass on the moment the applications are available. It's the 100th anniversary of the park. Lots going on. It WILL be fun. Or else....

Phil took home the 50/50 of 21 bucks.
