Jul 17 KlaHaYa Days Snohomish

*Harry going

Next Meeting **Jul 7th**

And really done this time...ok, except for a new diff bearing or two

June 2022

Meeting called to order by Prez. Bill. The attending attendees were the secretary, Bill and Judy, Jerry and Linda, Bill, nomer odin, Wayne and Ann, Dave, Phil, Gail and a strangly familar person resembling the club treasurer. We also entertained Casey, a potential new member who had written the club via our website. He has a '67 F-100 in progress. See, the web does work. Thank you Troy. And thanks for coming, Casey.

Our latest cash report, same as the last one, no change.

The pig out at Aurora Borealis had 7 people and good food.

Monroe Swap meet was a success. All our club members sold something expensive. Wayne sold his old willy (that sounds weird, Wayne) and trailer. The weather co-operated. I was glad we had our tents. Monies paid for next year and possibly we can get 2 or 3 of our Fall spaces for the spring. The organizers will contact us.

Bill and Judy organized a run to Draeger's up in Burlington. If you're reading this but weren't there you must have been somewhere else. Very nice of the son to open up and let us look around. Some new cars and trucks since I was there last time. The attending crowd included families Baker, Erickson, Burgin, Abbott (solomente), and a friend of Bill's I think whose name I neglected to get. Sorry. The crowd went off to the Train Wreck Café and Harry went back to Whidbey to catch Hawaiian ono grines but gunfunit, sold out. Always stay with the crowd.

Good of the Order: There is a car show slated for 23 July at Deception Pass State Park on Whidbey Island. Space is very limited. I'll pass on the moment the applications are available. It's the 100th anniversary of the park. Lots going on. Food, music, Ice skating. Nanana, no skatin'. Jus' seein' if you still awake. It WILL be fun. If not, sue the state.

Greg took home the 50/50 of 17 and a half bucks.

Good of the Order:

Bill and Judy went out for their 56th wedding anniversary. Turns out the couple next to them were celebrating also. When Bill went to pay, he found out the couple had paid for their meal too. See, still good in the world. This month is also Jerry and Linda's anniversary. Did you get those peoples name, Bill? And finally, Gail can get a buck off on the ferry as she celebrates a 60th birthday this month.

Lastly, Linda showed us photos of her sisters' place and their amazing collection of you name it in his garage.

Never let the fear of striking out keep you from playing the game.

7. 1956 Continental Mark II. Please see Harry. Please also bring a wheelbarrow full of Yankee money.

The Saga of Wayne's Willy, year 10-11.

After 10 long years interrupted by a health scare, the worlds most beautiful Willy Aero is on the road. Its debut was scheduled to be Colby. BUT a short shakedown drive brought rumbling and grumbling from the rear end. Back on the lift, NO oil. Three quarts of oil quieted it down enough for attending the show and picking up Best Paint and an amazing sponsor award. Adding a bit of petrol spotlighted another problem. You insert the gas hose far enough to make sure it doesn't come out and it works, it doesn't come out. Wayne was able to break the fancy filler attachment in order not to become a gas station decoration. Comes in threes, right? Wayne left the lights on for only a few minutes at the show and dead battery. Seems the "new" 10-year-old battery gave it up. Ah, but anyone who persevered for a decade cannot be deterred. New bearings are here and will soon be installed and the gorgeous green Willy will soon be killin' them on the circuit.

Story on this next month.

'67 Plymouth Fury III station wagon 318 \$2200
