How to waste your Winter

## Nov 2022

Looks like 11 of us showed up for the February Christmas meeting. The Capt. started the 7:00 pm meeting promptly at 1907 hours.

Greg, Finally made it to the bank and added 40 bucks. This is the money saved by running his new generator and not paying PSE.

Old Business: We got a nice card from the Edmonds Food Bank where we donated \$200. Greg will bring it next month, if he finds it.

Our good sports, Tod and Debbie donated their Christmas presents (They missed the January Christmas meeting) to the 50/50.

New Business: DUES are due. Now at the extended low price of 30 clams, payable in US currency or Euros. Pay now and help keep inflation down, job security up and the deficit under 13 Trillion. Voted and seconded to give one hundred dollars to both the Everett food Bank and the Battered Women's Group. This is because we have to remain a non-profit and because we're nice people.

May 20-21 is the Monroe Swap Meet. Phil got registration papers for a slot. Jerry and Linda have one and Tod and Debbie have paid for one. Still waiting to see if we can swap our swap meet spots for across the street swap meet spots.

Good of the Order: Harry got zero response in his request for company to Carmel, California in August and the elite car show there. It may have been the \$12,500 registration fee or it may be that they are just cheap.
