Coffee and Cars is up and running at the Central Market. 8-10am

Next Meeting is our

Christmas Party

Dec 7

<https://www.facebook.com/pugetsoundlimiteds>

Email Troy (troy@tat-inc.com) a photo of your car or truck **before and after** the restoration.

Stand by for a bloody important notice about a February car show. You won't want to miss this one.

November 2023

The Senior Mr. Bill called the meeting to order. Attending at rapt attention was self, Bill #1 and Judy, Bill #2, Wayne and Ann, Greg and Gail, Phil and Rick

Same-o Same-o Dept: Greg came up with a number, 1904. This is dollars but I'm not putting that down as all the freekin' crooks might see it and steal all our monies.

In sickness and in health Dept: Ms. Linda is doing better but still not back to 100%. At least she's warm. Mr. Bill, the hefe, says this operation was 80% better than the last one. No word on the other 20%. From the high snow country of New Mexico comes bad news. Terry broke his leg and hip and Viikkki now has to drive 3hrs one way to the closest hospital to visit. They are thinking of moving again.

OLD Stuffs Dept plus a little BS Dept: It was 1977 when the club was formed. It went from a few members to the high 30's in just a few years as this was the high point for the F-100. Greg met Scott Anderson, I met Larry Lair and so it went.

NEW Stuffs Dept: A motion for 100 bucks each to the Battered Women's group and the food bank was passed. It used to be for keeping us a non-profit club but now with no car show we don't need it plus we seem to be able to keep it non-profit without the state's help.

Coming up Dept: **Christmas Party will be in place of our regular meeting.** So, regular meeting day and time, **Dec 7th at 6pm** and regular place, Spiro's Pizza joint. Gift exchange was bumped up to a max of 35 clams. American dollars can be substituted for clams. Gift same as always but in case you're new (you paying attention, Rick) that is bring a gift for the same sex as yourself or the sex you think you might like to be, stuff like that. It's complicated now.

Good of the Order: See Bill for a \$7k '56 sm. Window. Looks good in the photos. Needs a lot of work yet. A great project.

Unbelievable Dept: Greg is working on Gail's truck. He's installing a 9" pumpkin that he got from a poor destitute vendor at Monroe who needed the money to feed his starving kids.

The 50/50 went to the guy with the basket of tickets. Hum, sounds fishy.

Be sure to add Rick's info to your roster. That would be Rick Rudnick, our newest member, who has a '53 F-100. His email is rudnick404@gmail.com.

1: See Bill for a rebuilt 341 Lincoln marine engine for C\$2000. Sorry Bill, can't buy it. All my money went for a new third member. Trying to keep up with Wayne. Bill is looking for an F-350, 54-56?

86: Left intentionally blank except for the words, left accidentally blank, which might or might not have been intentional. Sorry. NOT!

300mps squared: Watch this spot for an unimportant announcement soon. It will go by at the speed of light.

2: **MORE OLD** from Bill: 1953 Ford Victoria. 3 on a tree. Overdrive. Many new parts. Call Andy Ritter. 425 774 5087. \$13500.00 Please put in newsletter. Thanks. Bill Baker

3.14159: **NEW STUFFS**: From Harley, Jerry's friend, 360-632-9598

4 speed Muncie \$800, Control Assy for Muncie \$100, Radio for '66 Mustang \$100

A slice of Pi included with each purchase.

4. **NEW STUFFS**: Bill #1 has a boat loader, an Eidsi, that will take up to a 12' /450# boat. New was \$900 but for you, my friend, only \$500. Like brand new. ALSO, Bill #2 has a gaggle of **Model T** parts for Sale. See Bill 206-546-3696 if you have either a gaggle or a Model T.

5. **NEWER STUFF**: Dave is going to sell (\$15-20K) or trade his latest acquisition, a '46 Ford Two Door sedan, 302 and C6. 206-459-3241 mob. Will consider a trade for 2 cases of the pink stuff.

6. More **NEW** stuffs. Jerry wants to sell his trailer. You've seen it at Monroe full of very important and valuable stuff intermixed with some junk. He also has 2 bikes, four 6' tables and they are selling one of their spots at Monroe.

7. **NEWER** stuff. Debbie has '56 Chevy parts. They also might fit a gaggle.

8. **NEWEST** stuff. Our newest member, Rick, needs a title for a '53 Ford F-100. Email him. Up at the top of the page 2 in case you've forgotten already.
