January 2024

Prez Billy called the group to order. OK, maybe half the group. The better halves plus a couple of layabouts only here for the tucker included the scribe, Billy, Wayne, William #2, Wayne and Ann, Greg and Gail, Dave, Tod, Debbie and Rick. A decidedly heterogeneous collection.

Our accountant says we have another 30 bucks, what with dues just pouring in. And the Women's Shelter sent us a nice thank you note.

The "Not tonight, Honey" Dept: Judy stayed home with a headache. Linda is slowly getting better out there in Carolina. Best of British luck to you both.

Christmas Dept: In a word, good. No one is MIA so I guess all found their way home. Sue must have driven Dave home.

Swap Meet Stuff Dept: We have the same amount of room. Tod has a space, Bill has one, someone I can't read has one and Jerry has one and we will reimburse him for the back space which will be handy for Greg to store all the stuff he buys. So far, so good.

Newish Business: Coffee and Cars still running but you would know that if you read the darn Upcoming Events.

Fly Me to the Moon Dept: Or...maybe just EnZed, Godzone or New Zealand, take your choice. In mid-February, Harry will board a French made aeroplane (no 737Max9's with built in AC, thanks) and head to Hawai'i, refuel, and off to Auckland and Wellington. After a few days me Kiwi offsider and me will head to New Plymouth and Americarna, a four-day extravaganza of all American cars.

<https://americarna.com/event/> Granted, a long way for a car show but it's a car show that you'll not find anywhere else. I'll visit mates at the top of the North Island and Auckland and be back in Hawai'i by early March and home by March 10. The March Newsletter will be it's usual week and a half late....if someone takes notes.

50/50: Harry won the \$18.50 and was able to pay off his bar tab and a small salad.

Be sure to add Rick's info to your roster. That would be Rick Rudnick, our newest member, who has a '53 F-100. His email is rudnick404@gmail.com.

1: See Bill for a rebuilt 341 Lincoln marine engine for C\$2000. Sorry Bill, can't buy it. All my money went for a new third member. Trying to keep up with Wayne. Bill is looking for an F-350, 54-56?

86: Left intentionally blank except for the words, left accidentally blank, which might or might not have been intentional. Sorry. NOT!

299,792,458 metres per second: Watch this spot for an unimportant announcement soon. It will go by at the speed of light.

2: **MORE OLD** from Bill: 1953 Ford Victoria. 3 on a tree. Overdrive. Many new parts. Call Andy Ritter. 425 774 5087. \$13500.00 Please put in newsletter. Thanks. Bill Baker
