

Houston, We have a problem. Word has gone walkabout. As someone searches for that I am forced to put down what I remember. Good luck with that.

10 PSL persons were there. That I know. You should know if you were one of them. Otherwise, you probably shouldn't be driving.

Sick Call: Gail didn't make it. Still feeling punk. Both Linda and Judy are in PT and Bill is going back for more.

Let's see. There's an old bus out on Buck Lane, wherever that is. Why that's in here I have no idea.

News on the Nile Car Show is nonexistent as I can't read my writing. Maybe this is where Bill won a \$100 Amazon gift card.

Congratulations just in case.

Meanwhile, back at the cold north (Hwy 97 at 100 mile House) Harry thought he had the long distance sewed up. Then the announcer brings up two stock Model A Touring cars and introduces the drivers, one from Brazil and one from Argentina. These guys drove together ukabillion miles for months to get to Canada and they aren't done yet. Their destination is Alaska. okey, okey, I lost.

A few car shows dept: We've got Angel of the Winds on the 11th. There is also a show in Port Orchard the same day. On the 17th in Snohomish there is Big Al's.

7500 156th St SE. 10-5. We have Bob's Party on that day also. 425-148th St NE in Arlington, 12-4. See last month's newsletter.

On the Big Cash Dept: Harry won the sixteenfifty from the 50/50. BUT he traded it in for a '50 Ford model, leaving second place with the dinero. That would be Greg. No collusion, guaranteed cheat free, tax free and fraud free. You can trust us. I used to be a lawyer and Greg designed Boeing door plugs. lol h

\*\*\* addendum to the newsletter.

First, all this is happening on Saturday, the 24th. The Crista Show is practically next door to Waynes so the plan is this.

One, go to the Crista show, 10-2 CRISTA Senior Living Shoreline campus, [19301 Kings Garden Dr N, Shoreline, WA 98133](https://www.crista.org/19301-Kings-Garden-Dr-N-Shoreline-WA-98133).

Two, afterwards drive a block to Wayne's [80th](#) Bday party.

Not to worry about starving. Catered BBQ about 5pm.

NO gifts. Cards and hot rods are welcome. Ann says, please don't leave the hot rods.

One last thing. If you plan on doing the Crista show, **you need to register**. Here is a link. [Christa Car Show](#)
